Dear David and Shelby,

Thank you for being our tour guide.

It was fun when we did the 8-clap. You are my friend.

Thank you for everything.

I hope my teacher likes UCLA just like me.
Dear A.J.,

Thank you for giving us the tour. I really enjoyed learning so much about the school, and I'm sure the rest of the classes enjoyed it as well! It was awesome to learn about the radioactive potato tree. The story about the professor and his baked potato was hilarious! And the rivalry between USC and UCLA is so cool! I liked hearing about how the Trojans tried to dye the Inverted Fountain red, but it turned pink! Hello Trojans! Anyway, I really appreciate you taking the time to give the three classes from my school a tour.

Dear Kristine,

Thank you for giving us that wonderful tour of UCLA. It seems like UCLA is an awesome school to attend when I’m older. I would want to go there or to "Csun. The best part to me was when you told us about the 6th step that is cursed & also about the potato tree. That trip was so fun, hopefully I can go on another Cub tour again. Thanks again.

Sincerely,
Delmy Arqueta
