Preparing for transfer is about getting ready to succeed at UCLA. It’s about making the right choices for you, based on your major and your career focus. We want you here. Once you’re ready to make the transition to UCLA, our doors are open. Why? We know that transfer students add to the fabric of our community and arrive at UCLA with a diversity of interests and backgrounds and the intellectual passion to graduate and succeed.

**HOW DO TRANSFERS MAKE IT HERE?**
**BY KNOWING THAT UCLA IS POSSIBLE.**

Preparation for transfer is about getting ready to succeed at UCLA. It’s about making the right choices for you, based on your major and your career focus. We want you here. Once you’re ready to make the transition to UCLA, our doors are open. Why? We know that transfer students add to the fabric of our community and arrive at UCLA with a diversity of interests and backgrounds and the intellectual passion to graduate and succeed.

- **20%** of transfer students graduate with a minor
- **40%** of upperclassmen came in as transfer students
- **92%** of transfers graduate in just over two years at UCLA
- **93%** of admitted transfers come from a California community college

Transfer students are guaranteed one year of on-campus housing.
UCLA has a long tradition of academic and research excellence, so it’s no surprise that academics are an important part of our transfer admission and selection criteria. We encourage you to meet with your counselor for individual advising and to review our Transfer Admission Guide (www.admission.ucla.edu/transfer) for specific requirements. At a minimum, you must satisfy the following four requirements:

1. Complete 60 semester or 90 quarter units of UC-transferable college credit (junior-level standing)

2. Complete the UC 7-course pattern (2 English composition, 1 math, 4 electives). Students are encouraged to take required English and math courses as early as possible with at least one English course completed by fall

3. Complete a significant amount of lower-division major preparation for your intended major

4. Maintain a GPA of at least 3.2 in all transferable courses

For California Community College Students, ASSIST (www.assist.org) provides detailed information on transferable courses, major prep requirements, and course articulation.

For more information about our selection process, please review the Transfer Admission Guide.

*Average G.P.A. varies significantly by major. For a complete list of majors with detailed information, please visit the Admitted Transfer Student Profile webpage at: www.admission.ucla.edu/prospect/adm_tr.htm
As a transfer student here at UCLA, you will be provided numerous resources to assist you with transitioning into your new academic and personal environment. You’ve made it to UCLA, but you may need advice navigating a new campus full of choices and opportunities.

The Bruin Resource Center is here to help you hit the ground running by connecting you to the university system and offering support and the tools you need to achieve your desired goals at UCLA and beyond. The BRC provides programs for:

- Collegiate Recovery Program
- Former/Current Foster Students
- GRIT Peer Coaching Program
- Intergroup Relations
- Students with Dependents
- Transfer Students
- Undocumented Students
- UCLA Veterans

Find more information on the different ways UCLA students utilize the BRC here: [www.brc.ucla.edu](http://www.brc.ucla.edu).

In addition, UCLA offers additional support services at our LGBT Campus Resource Center.

**TOP 15%**

UCLA is in the top 15% of US schools for positive and rewarding experience for military students.
The Free Application for Federal Student Aid (FAFSA) can be filed starting October 1 - available at: www.fafsa.gov. Make sure you complete it before the March 2 priority filing deadline. Based on your FAFSA and other information you submit, the Financial Aid Office will determine your eligibility for a variety of funding options, including scholarships, grants, work-study programs and loans. **AB 540 eligible students who are not U.S. citizens or permanent residents can apply for aid via the Dream Act application.** International students are not eligible for university, state, or federal financial aid. We urge international students to research scholarship opportunities from private organizations both within the US and your home country.

If you are a California resident, the **California Student Aid Commission** provides grants to qualified students. If you are not a California resident, your home state might offer college grants even if you attend an institution in another state. Check the U.S. Department of Education website for a list of state higher education agencies that can direct you to the proper resources.

**The UCLA Scholarship Resource Center** is available to help you identify scholarships for which you are qualified. Other resources including community service organizations in your hometown, faith-based groups and your college career/college counseling center are options to explore. We also encourage you to initiate a search for additional scholarship resources via the internet. Online searches will reveal various websites and databases dedicated to helping you locate the best scholarship opportunities. For information about searching for UCLA scholarships and other outside scholarships, please review our Scholarship Resource Center website at: www.scholarshipcenter.ucla.edu.
