TRANSFER ADMISSION GUIDE
2019
YOUR GUIDE through the transfer admission process
This guide serves as a primary resource in determining which courses to complete for major preparation.

Applicants from California community colleges should use this guide in conjunction with www.assist.org and www.admission.ucla.edu/transfer to determine which specific courses you should be taking at your institution. This guide is not a substitute or replacement for your college counselor, who can advise you about requirements for multiple universities.

School of Theater, Film & Television ................................. 29
School of Public Affairs ....................................................... 30
UCLA is committed to being a transfer-friendly institution. Strong academic preparation and performance make you a more competitive candidate during the admission review process. The average GPA of admitted transfer students is above 3.5, and admitted students have completed most or all major preparatory courses. We give highest priority to applicants from California community colleges and other UC campuses. UCLA admits students for fall quarter only.

ACADEMIC CRITERIA

- Junior-level standing (60 semester/90 quarter UC transferable units completed) by the end of the spring term before you transfer.
- GPA of 3.2 or higher earned in all transferable courses.
- Progress towards completion of major preparation requirements by the end of spring prior to transfer; for more information regarding major preparation requirements, utilize www.assist.org and www.admission.ucla.edu/transfer for the most current updates.
- Completion of the following by the end of spring prior to transfer:
  - Two (2) transferable courses in English composition/critical thinking and writing
  - One (1) transferable math course with a prerequisite of intermediate algebra or higher
  - Four (4) transferable college courses in at least two of the following subject areas: arts and humanities, social and behavioral sciences, physical and biological sciences.

PERSONAL CRITERIA

- Employment while attending school
- Involvement in campus organizations and community service
- Family responsibilities
- A return to school where early grades are not indicative of strong academic performance
- Military service
- Other opportunities or challenges that may have shaped your educational experiences

APPLICATION TIPS

Report courses exactly as they appear on your transcript, including nontransferable courses and withdrawals. You must report all courses completed at any post-secondary institution. You may not omit any courses or previous institutions from your UC application.

Provide an accurate email address on your UC application and check that account regularly. You may receive important information via email throughout the admission review process.

List the language of instruction at your high school.

Provide your fall grades and planned spring coursework in January through the Transfer Academic Update (TAU) by January 31st. We cannot review your application if you have not submitted your TAU.

Explain any gaps in education.

Withdrawals, incomplete grades, and academic renewals are not necessarily viewed negatively. Take time to address these in your application so that we have a clear understanding of your academic progress.

You can import information directly into the UC Application from the UC Transfer Admission Planner (UC TAP).

PERSONAL INSIGHT QUESTIONS

The UC Application asks all transfer applicants to answer one required question, and three out of seven additional questions. The Personal Insight Questions offer us an opportunity to learn more about you and to understand the experiences, accomplishments, and points of view you would bring to UCLA’s undergraduate student community.

- Each response is limited to a maximum of 350 words.
- Choose to respond to the three questions that are most relevant to your experience and that best reflect your individual circumstances.
- All questions are given equal consideration in the application review process. There is no advantage or disadvantage to choosing certain questions over others.

REQUIRED TRANSFER APPLICANT QUESTION

Please describe how you have prepared for your intended major, including your readiness to succeed in your upper-division courses once you enroll at the university.

ADDITIONAL QUESTIONS

1. Describe an example of your leadership experience in which you have positively influenced others, helped resolve disputes, or contributed to group efforts over time.
2. Every person has a creative side, and it can be expressed in many ways: problem solving, original and innovative thinking, and artistically, to name a few. Describe how you express your creative side.
3. What would you say is your greatest talent or skill? How have you developed and demonstrated that talent over time?
4. Describe how you have taken advantage of a significant educational opportunity or worked to overcome an educational barrier you have faced.
5. Describe the most significant challenge you have faced and the steps you have taken to overcome this challenge. How has this challenge affected your academic achievement?
6. What have you done to make your school or your community a better place?
7. Beyond what has already been shared in your application, what do you believe makes you stand out as a strong candidate for admissions to the University of California? Special Instructions for Veterans

UCLA is interested in learning about your military service and how it may have shaped your educational path. You may choose to discuss your military experience in your personal insight question responses or any other relevant section.
UC Math and English Requirements
A common misstep students make is postponing these required courses until the spring term. Doing so leaves students with no options should they drop or fail one of these courses.

Tip: Students are encouraged to take their required English and math courses as early as possible with at least one English course completed by the end of fall.

IGETC Certification vs. Major Preparation Requirements
IGETC is NOT a requirement for admission to UCLA, though it is highly recommended for students applying to all schools, except the UCLA Henry Samueli School of Engineering and Applied Science. To be competitive for admission to UCLA, students should focus on completing general UC transfer requirements and major prep first.

Tip: Students are able to use the Summer prior to transfer to finish remaining courses for IGETC but these courses cannot be used to meet transfer admission requirements.

Transferable Coursework
Students may be missing units because a course was not transferable, or did not receive credit due to limitations, duplication or other restrictions (outlined on www.assist.org).

California community college students should review their courses on www.assist.org and complete all courses by the end of spring prior to transfer. Courses completed in the summer immediately prior to transfer cannot be used to fulfill the minimum unit requirement.

Students who have completed courses outside the California Community College system should compare those course descriptions with courses in the UCLA General Catalog (http://catalog.registrar.ucla.edu). UCLA does not pre-evaluate course transferability prior to submission of an application.
If you think your undergraduate major will determine your future career, think again! Most undergraduate majors are broad and theoretical, providing you with marketable skills in critical thinking, writing, problem solving, and communication that are valued by employers in every field.

**UCLA David Geffen School of Medicine**

Any major is appropriate for medical school preparation. UCLA students who have gone on to medical school have majored in a wide variety of areas, including Anthropology, Business, Communication, Music, Political Science, and Religion.

**UCLA School of Law**

Applicants with any undergraduate major are welcome to apply, and the Law School Admissions Committee does not prefer certain majors over others. The study of law transcends any individual academic discipline.

**UCLA Anderson School of Management**

Below is a breakdown of undergraduate majors for the MBA Class of 2019.

- **Biological Sciences**: 22%
- **Social Sciences**: 17%
- **Engineering**: 16%
- **Humanities**: 16%
- **Economics**: 11%
- **Other**: 5%

**MOST DESIRED SKILLS EMPLOYERS WANT FROM RECENT GRADUATES**

- **Scientific/Technological Skills**: 55%
- **Innovation/Creativity**: 55%
- **Teamwork/Collaboration**: 55%
- **Ethical Decision Making**: 55%
- **Analyze/Solve Complex Problems**: 40%
- **Knowledge/Skills Applied to Real World Settings**: 35%
- **Critical Thinking/Analytical Reasoning**: 30%
- **Effective Oral/Written Communication**: 30%

**FALL 2017 HIGHLY SELECTIVE MAJORS**

Some majors at UCLA are significantly more competitive than others, but there are multiple pathways to achieving your goals. Explore different options, and if you choose to apply to a less selective major, consider supplementing your academic experience with a minor. Note: Minors can be declared once students enroll at UCLA.

Some majors at UCLA are significantly more competitive than others, but there are multiple pathways to achieving your goals. Explore different options, and if you choose to apply to a less selective major, consider supplementing your academic experience with a minor. Note: Minors can be declared once students enroll at UCLA.

*The demand for the major significantly exceeds space available. For a complete list of majors with detailed information, please visit the Admitted Transfer Student Profile webpage at www.admission.ucla.edu/prospect/Admit/Tr_Prof17.htm*
**Major Requirements**

You should complete as many major preparatory courses as possible prior to transferring based on the availability of the courses at your current school and/or local schools. California community college students are strongly encouraged to complete IGETC, all other transfer students are encouraged to make progress toward completion of the UCLA general education requirements.

There may be additional lower division requirements that students can complete at their current institutions or at UCLA. Should a major not have specific prerequisites, students are encouraged to make progress toward completion of the UCLA general education requirements.

**MAJOR PREP TIPS**

Students must complete their major preparation requirements by the end of spring prior to transfer. Students must take the correct calculus course sequence for their major. Visit www.assist.org to determine the required calculus course or sequence that fulfills major preparation requirements.

Students applying to a highly selective major should complete the majority of their major prep as early as possible.

The most competitive applicants for Business Economics, Economics, and Psychology will have completed all major prep by the end of fall prior to transfer.

**AFRICAN AMERICAN STUDIES**

One African American Studies course
One civilization of Africa course

**AFRICAN AND MIDDLE EASTERN STUDIES**

Two years of Arabic, Armenian, Hebrew, Persian, Turkish, or African language

**AMERICAN LITERATURE & CULTURE**

Two years of one foreign language or a combination of courses in foreign language and foreign literature

Effective for fall 2020 admission and thereafter, to be considered for the American Literature & Culture major, students will need to complete the following major prep: One course in English composition (expository writing), One course in critical reading and writing (composition and literature), the equivalent of UCLA’s English 11 (American Cultures), the equivalent of UCLA’s English 87 (Topics in American Cultures), and two years of one foreign language or a combination of courses in foreign language and foreign literature.

Effective fall 2020, one year of British literature will no longer be accepted as preparation for this major.

**ANTHROPOLOGY (B.A.)**

One course in human evolution
One course in archaeology
One course in sociocultural anthropology
One course in culture and communication

**ANTHROPOLOGY (B.S.)**

One course in human evolution
One course in archaeology
One course in sociocultural anthropology
One course in culture and communication
One course in statistics
One year of general biology w/lab for the major
One year of calculus
One year of general chemistry w/lab
One year calculus-based physics w/lab
One lower division course in organic chemistry

Required by end of spring before transfer:
- A minimum of six preparatory courses.

**THE COLLEGE OF LETTERS AND SCIENCE**

**ANNEALER NEAR EAST AND EGYPTOLOGY**

One civilization course on Mesopotamia, Egypt, Near Eastern archaeology, or Middle Eastern cultures

**LEGEN**

- **Pre-major** - Students apply as a pre-major and are classified as pre-majors until lower division preparation courses are completed at UCLA. Refer to the department website for more information.

- **Highly selective majors** - demand for the major significantly exceeds space available.

- **Required by end of spring before transfer:**
  - One year of college level language for the major (see above)
  - At least two of the preparatory courses listed above

- **NOTE:** Completion of intermediate/advanced foreign language is strongly preferred.

- **NOTE:** If these courses are not available, applicants must demonstrate sincere interest in the major.

- **Programs listed in the LEGEND are Requirements that are not required for admission, but are recommended for preparation for this major.**

- **Effective fall 2020, one year of British literature will no longer be accepted as preparation for this major.**

- **Effective for fall 2020 admission and thereafter, to be considered for the American Literature & Culture major, students will need to complete the following major prep: One course in English composition (expository writing), One course in critical reading and writing (composition and literature), the equivalent of UCLA’s English 11 (American Cultures), the equivalent of UCLA’s English 87 (Topics in American Cultures), and two years of one foreign language or a combination of courses in foreign language and foreign literature.**

- **Effective fall 2020, one year of British literature will no longer be accepted as preparation for this major.**

- **NOTE:** Effective for fall 2019 admission, students must complete the equivalent for UCLA’s Life Science 7A, 7B, and 7C in order to satisfy major preparation.
ART HISTORY
Two courses from the following:
- Ancient art
- Medieval art
- Renaissance and Baroque art
- Modern art
Two courses from the following:
- Indian/Southeast Asian art
- African art
- Pre-Columbian art

ASIAN Languages AND LINGUISTICS
Two years of Chinese, Japanese, Korean, Filipino/Tagalog, Hindi, Indonesian, Thai, or Vietnamese
One course from the following:
- Asian civilization on Asia or one introduction to Asian religions course
NOTE: Completion of two years of college level foreign language is strongly preferred.

ASIAN AMERICAN STUDIES
One lower division Asian American Studies course or one course that focuses on Asian Americans.

ASIAN LANGUAGES & CULTURES

ASIAN HUMANITIES
Two years of Chinese, Japanese, Korean, Filipino/Tagalog, Hindi, Indonesian, Thai, or Vietnamese
One course from the following:
- Asian civilization
- Introduction to Buddhism
- Introduction to Asian religions

ASIAN RELIGIONS
Two years of Chinese, Japanese, Korean, Filipino/Tagalog, Hindi, Indonesian, Thai, or Vietnamese or one year of Sanskrit
One course in introduction to Buddhism or introduction to Asian religions

CHINESE - JAPANESE - KOREAN
Two years of the selected language
One accompanying civilization course
Required by end of spring before transfer:
- One year of a college level Asian language OR at least one year of high school in which the primary language of instruction was an Asian language
NOTE: Completion of two years of college level foreign language is strongly preferred.

ASIAN LANGUAGES AND CULTURES

ASIAN STUDIES 24
Two years of an Asian language (e.g., Chinese, Japanese, Korean, Tagalog, Vietnamese, Hindi/Urdu, etc.)
One course from the following:
- Chinese art
- Indian/Southeast Asian art
- Asian Religions
- History of Asia (post-1750)
- Asian Civilization (Chinese, Korean, or Japanese)
Two courses from the following:
- Sociocultural anthropology
- Cultural geography
- Contemporary world history
- World literature
Two courses from the following:
- Comparative politics
- Economic geography
- Macroeconomics
- Microeconomics
- Introductory sociology

Required by end of spring before transfer:
- One year of a college level Asian language OR at least one year of high school in which the primary language of instruction was an Asian language
- At least two of the preparatory courses listed above (in addition to foreign language)
NOTE: Completion of intermediate/advanced foreign language is strongly preferred.

ASTROPHYSICS
One and a half years (3 semesters/4 quarters) of calculus with analytic geometry through multivariable Linear algebra
Differential equations
One and a half years of calculus-based physics (mechanics, electricity, magnetism, electromodynamics, optics, and special relativity)
Two courses in astrophysics (stars, nebulae, stellar evolution, galaxies, and cosmology)
One course in computer programming
One course in general chemistry
Required by end of spring before transfer:
- One and a half years of calculus with analytic geometry (3 semesters/4 quarters) through multivariable
- One year of calculus-based physics (mechanics, electricity, and magnetism)
- Linear Algebra
NOTE: It is strongly recommended that the remainder of major prep be completed prior to transfer.

ATMOSPHERIC AND OCEANIC SCIENCES
One year of calculus
One year of calculus-based physics with lab
One year of general chemistry with laboratory
One course in C++ programming

Two courses from the following:
- Climate change
- Air pollution
- Atmospheric environment

ATMOSPHERIC and OCEANIC SCIENCES/MATHEMATICS
One and half years of calculus through multivariable Linear Algebra
Differential Equations
One year of calculus-based physics
One C++ programming course.

Two courses from the following:
- Climate change
- Air pollution
- Atmospheric environment

BIOCHEMISTRY 64
One year of calculus (2 semesters/3 quarters)
One year of general chemistry with lab
One year of biology with lab for the major (cellular, molecular, genetic)
One year of organic chemistry with lab
Two semesters/two quarters of calculus-based physics
Multivariable calculus
Linear algebra
Required by end of spring before transfer:
- One year of calculus
- One year of general chemistry with lab
- One year of biology with lab for the major
- One year of organic chemistry with lab.

Additional recommended courses prior to transfer:
- Two semesters/two quarters of calculus-based physics with lab
- Multivariable calculus
- Linear algebra

NOTE: Effective for fall 2019 admission, students must complete the equivalent for UCLA’s Life Science 7A, 7B, and 7C in order to satisfy major preparation.

BIOLOGY 64
See Life Sciences.

BIOPHYSICS
One and a half years (3 semesters/4 quarters) of calculus with analytic geometry through multivariable Linear algebra
Differential equations
One and a half years of calculus-based physics (mechanics, electricity, magnetism, etc.)
One year of general chemistry
One year of organic chemistry
One year of biology with lab for the major (cellular, molecular, genetic)
Required by the spring before transfer:
- One and a half years of calculus with analytic geometry (3 semesters/4 quarters) through multivariable
- One year of calculus-based physics (mechanics, electricity, and magnetism)
- Linear Algebra

NOTE: It is strongly recommended that the remainder of major prep be completed prior to transfer.

MATHEMATICS
One and half years of calculus through multivariable Linear Algebra
Differential Equations
One year of calculus-based physics
One C++ programming course.

Two courses from the following:
- Climate change
- Air pollution
- Atmospheric environment

Additional recommended courses prior to transfer:
- Two semesters/two quarters of calculus-based physics with lab
- Multivariable calculus
- Linear algebra

NOTE: Effective for fall 2019 admission, students must complete the equivalent for UCLA’s Life Science 7A, 7B, and 7C in order to satisfy major preparation.
One course in microeconomics
One course in macroeconomics
Two courses in calculus
(from the math/physical science sequence)
One course in introduction to financial accounting
One course in introduction to managerial accounting
One advanced course in English composition

All preparatory courses listed above must be completed. Students are STRONGLY ENCOURAGED to complete all preparatory courses by the end of fall prior to transfer.

NOTE: You must be admitted directly to this major. You will not be able to change into this major after admission to UCLA.

CENTRAL & EAST EUROPEAN LANGUAGES & CULTURES
One course in introduction to Central, Eastern Europe and Slavic civilization.

NOTE: If course is not available, applicants must demonstrate sincere interest in the major.

CHEMISTRY MAJORS
CHEMISTRY • CHEMISTRY/MATERIAL SCIENCE

ALL MAJORS:
One and a half years of calculus with analytic geometry
(3 semesters/4 quarters) through multivariable
One year of general chemistry with lab
One course in organic chemistry with lab
One course in calculus-based physics with lab

Additional recommended courses prior to transfer:
CHEMISTRY:
• A second semester of calculus-based physics with lab
• A second semester of organic chemistry with lab

CHEMISTRY/MATERIAL SCIENCE:
• Two additional semesters of calculus-based physics with lab

Required by end of spring before transfer:
• One year of college level Spanish CR at least one year of high school in which the primary language of instruction was Spanish.

NOTE: Completion of two years of college level foreign language is strongly preferred.

CLASSICAL CIVILIZATION
One year of Greek or Latin
One course in classical Greek culture
One course in Roman civilization
Two courses from the following:
• Classical mythology
• Classical archaeology
• Greek or Latin literature in translation

NOTE: If these courses are not available, applicants must demonstrate sincere interest in the major.

CLIMATE SCIENCE
One year of calculus
One year of calculus-based physics with lab
One general chemistry course with laboratory for majors
One course in programming (Matlab or Python)
One introductory statistics course

CHICANA & CHICANO STUDIES
One course in introduction to Chicana/Chicano history and culture
One course in introduction to Chicana/Chicano social structure and contemporary conditions
The equivalent of five quarter terms of Spanish

Required by end of spring before transfer:
• One year of college level Spanish CR at least one year of high school in which the primary language of instruction was Spanish.

NOTE: If course is not available, applicants must demonstrate sincere interest in the major.

COMPARATIVE LITERATURE
One course in English composition (expository writing)
One course in critical reading and writing (composition and literature)
Two survey courses in world or English literature

Students must demonstrate one year of proficiency in a foreign language. However, completion of two years of a foreign language is highly recommended as major preparation for upper division courses.

COMPUTATIONAL AND SYSTEMS BIOLOGY
One year of general chemistry with lab for the major
Two years of calculus
One year of biology with lab for the major
One and a half years of calculus-based physics for the major
Introduction to computer science or introduction to computer programming

EARTH & ENVIRONMENTAL SCIENCE (B.A.)
One introductory course in Earth science
One year of general chemistry with lab
One calculus course

Additional recommended courses prior to transfer:
• One course in biology with lab for the major (evolution)
• One course in calculus-based physics with lab (mechanics)

Remaining major preparatory courses may be completed at UCLA after transfer.

ECONOMICS
One course in microeconomics
One course in macroeconomics

Two courses in calculus (from the math/physical science sequence)
One advanced course in English composition

All preparatory courses listed above must be completed. Students are STRONGLY ENCOURAGED to complete all preparatory courses by the end of fall prior to transfer.

NOTE: You must be admitted directly to this major. You will not be able to change into this major after admission to UCLA.

Economics
One course in microeconomics
One course in macroeconomics

Two courses in calculus (from the math/physical science sequence)
One advanced course in English composition

All preparatory courses listed above must be completed. Students are STRONGLY ENCOURAGED to complete all preparatory courses by the end of fall prior to transfer.

NOTE: You must be admitted directly to this major. You will not be able to change into this major after admission to UCLA.

One course in introduction to Chicana/Chicano history and culture
One course in introduction to Chicana/Chicano social structure and contemporary conditions
The equivalent of five quarter terms of Spanish

Required by end of spring before transfer:
• One year of college level Spanish CR at least one year of high school in which the primary language of instruction was Spanish.

NOTE: Completion of two years of college level foreign language is strongly preferred.

CLASSICAL CIVILIZATION
One year of Greek or Latin
One course in classical Greek culture
One course in Roman civilization
Two courses from the following:
• Classical mythology
• Classical archaeology
• Greek or Latin literature in translation

NOTE: If these courses are not available, applicants must demonstrate sincere interest in the major.

CLIMATE SCIENCE
One year of calculus
One year of calculus-based physics with lab
One general chemistry course with laboratory for majors
One course in programming (Matlab or Python)
One introductory statistics course

CHICANA & CHICANO STUDIES
One course in introduction to Chicana/Chicano history and culture
One course in introduction to Chicana/Chicano social structure and contemporary conditions
The equivalent of five quarter terms of Spanish

Required by end of spring before transfer:
• One year of college level Spanish CR at least one year of high school in which the primary language of instruction was Spanish.

NOTE: Completion of two years of college level foreign language is strongly preferred.

COMPARATIVE LITERATURE
One course in English composition (expository writing)
One course in critical reading and writing (composition and literature)
Two survey courses in world or English literature

Students must demonstrate one year of proficiency in a foreign language. However, completion of two years of a foreign language is highly recommended as major preparation for upper division courses.

COMPUTATIONAL AND SYSTEMS BIOLOGY
One year of general chemistry with lab for the major
Two years of calculus
One year of biology with lab for the major
One and a half years of calculus-based physics for the major
Introduction to computer science or introduction to computer programming

EARTH & ENVIRONMENTAL SCIENCE (B.A.)
One introductory course in Earth science
One year of general chemistry with lab
One calculus course

Additional recommended courses prior to transfer:
• One course in biology with lab for the major (evolution)
• One course in calculus-based physics with lab (mechanics)

Remaining major preparatory courses may be completed at UCLA after transfer.

ECONOMICS
One course in microeconomics
One course in macroeconomics

Two courses in calculus (from the math/physical science sequence)
One advanced course in English composition

All preparatory courses listed above must be completed. Students are STRONGLY ENCOURAGED to complete all preparatory courses by the end of fall prior to transfer.

NOTE: You must be admitted directly to this major. You will not be able to change into this major after admission to UCLA.
**ENGLISH**

One course in English composition (expository writing)

One course in critical reading and writing (composition and literature)

One year survey of literature in English

- British lit to 1850
- Either British lit from 1850 or survey of American lit

Two years of one foreign language or a combination of courses in foreign language and foreign literature in translation.

**ENVIRONMENTAL SCIENCE** (continued)

NOTE: Effective for fall 2019 admission, students must complete the equivalent for UCLA’s Life Science 7A and 7B in order to satisfy major preparation.

**EUROPEAN STUDIES**

Two years of a modern European language other than English

One course from the following:

- History of Europe (post-1750)  
- French Culture/Civilization
- French Literature
- Russian Literature

Two courses from the following:

- Sociocultural anthropology
- Contemporary world history
- Cultural geography
- World literature

Two courses from the following:

- Comparative politics
- Economic geography
- Macroeconomics
- Microeconomics

**ENGINEERING GEOLOGY**

One introductory course in Earth science

One year of general chemistry with lab

One introductory course in Earth science

- History of Earth processes
- Geology of the San Fernando Valley
- Geology of the Los Angeles Basin
- Geology of Southern California

One introductory course in environmental science

- Introduction to economic geography, environment and resources
- Introduction to sociology
- Contemporary or world politics
- Political theory, or introduction to sociology
- Science and Technology

**GENDER STUDIES**

One multidisciplinary gender studies course

Only approved gender studies courses can satisfy the major requirement (see list of articulation agreement by major).

If your school does NOT offer an approved course, you must still complete one transferable course related to gender/women to be considered for this major. Courses in history, psychology, sociology, literature, anthropology, etc. related to women/gender are sufficient for admissions purposes.

**GEOGRAPHY**

One course in physical or biogeography course

One cultural, economic or world regions geography course

One statistics course

**GEOGRAPHY/ENVIRONMENTAL STUDIES**

One course in physical geography or biogeography

One course in cultural, economic, or world regions geography

One course in people and ecosystems

**GEOLOGY**

One introductory course in Earth science

One year of general chemistry with lab

One year of calculus

Remaining major preparatory courses may be completed at UCLA after transfer.

**GLOBAL STUDIES**

Required by end of spring before transfer:

- A minimum of six preparatory courses must be completed. No more than two semesters of foreign language may be used toward the minimum six major preparatory courses for admission.

If admitted, students must complete all remaining preparatory courses (including Global Studies 1) with a B grade or better in their first quarter at UCLA. Students must also submit a supplemental application to the department that fall quarter. Students are strongly encouraged to complete at least one year of language prior to matriculation.

**HUMAN BIOLOGY & SOCIETY (B.A.)**

One course in human evolution

One year of biology with lab for the major

One course in statistics

One semester of general chemistry

One course from the following:

- Philosophy (contemporary moral issues, political philosophy, philosophy of science, or ethical theory)
- Introduction to gender studies

One course from the following:

- Sociocultural anthropology
- Cultural geography
- Introduction to sociology
- Intro to Chicano Chicana Studies

Required by end of spring before transfer:

- A minimum of five major preparatory courses must be completed.
INTERNATIONAL DEVELOPMENT STUDIES
One economics course (economic geography, microeconomics, or macroeconomics)
One statistics course
Three courses, each from a different category from:
  • Social or cultural anthropology
  • Cultural or regional geography
  • Introduction to globalization
  • Introduction to International and Area Studies
  • Contemporary history/civilization/culture of a developing region of the world
  • Comparative or world politics
  • Introduction to sociology
  • Introductory gender studies
Two years of a modern foreign language
Required by end of spring before transfer:
  • A minimum of six preparatory courses must be completed and a supplemental application must be submitted during the fall quarter in which you are admitted.

Effective for fall 2020 admission and thereafter, students will need to complete the following major preparation coursework in addition to what is listed above: Introduction to International Development Studies.

JEWISH STUDIES
One social, cultural, and religious institutions of Judaism course.
Students intending to enter the Jewish Religion, Jewish Literature & Culture, or Israeli Studies track:
  • One year of Hebrew language

NOTE: If these courses are not available, applicants must demonstrate sincere interest in the major.

LANGUAGE MAJORS
Arabic
French & Linguistics
Greek & Latin
Italian & Special Fields
Spanish & Linguistics
Russian Languages & Literature
Scandinavian Languages & Cultures

All language majors:
At least one year (2 semesters/3 quarters) of courses in the selected language
A second year of courses in the selected language is recommended prior to admission
Additional requirements for each major may be completed after transfer and can be found in the UCLA General Catalog: catalog.registrar.ucla.edu

Required by end of spring before transfer:
  • One year of college level coursework in the declared language OR at least one year of high school in which the primary language of instruction was the declared language.

NOTE: Completion of two years of college level foreign language is strongly preferred.

LATIN AMERICAN STUDIES
Two years each of Spanish and Portuguese
(or an indigenous language of Latin America)
One course from the following:
  • History of Latin America (Colonial)
  • History of Latin America (Modern)
  • Latin American Cultures
Two courses from the following:
  • Sociocultural anthropology
  • Contemporary world history
  • Cultural geography
  • World literature
Two courses from the following:
  • Comparative politics
  • Microeconomics
  • Economic geography
  • World literature
  • Macroeconomics
  • Introductory sociology

Required by end of spring before transfer:
  • One year of college level Spanish or Portuguese OR at least one year of high school in which the primary language of instruction was Spanish or Portuguese.
  • At least two of the preparatory courses listed above (in addition to foreign language).

NOTE: Completion of two years of college level foreign language is strongly preferred.

LIFE SCIENCES MAJORS
Biology
Ecology, Behavior, & Evolution
Human Biology & Society (B.S.)
Marine Biology
Microbiology, Immunology, & Molecular Genetics
Molecular, Cell, & Developmental Biology
Neuroscience
Physiological Science
Psychobiology

Required by end of spring before transfer:
  • One year of biology with lab for the major
  • One year of calculus
  • One year of general chemistry with lab
  • One semester of organic chemistry with lab

Additional recommended courses prior to transfer:
  • A second semester of organic chemistry
  • A year of calculus-based physics

Additional requirements for the Psychobiology and Human Biology and Society (B.S.) majors can be found in the UCLA General Catalog: catalog.registrar.ucla.edu

NOTE: Effective for fall 2019 admission, students must complete the equivalent for UCLA’s Life Science 7A, 7B, and 7C in order to satisfy major preparation. Because life science majors require the completion of extensive preparatory courses prior to transfer, you must be admitted directly into a life science major; you will not be able to change from a non-life science major into a life science major after admission to UCLA.

LINGUISTICS
Applied Linguistics
Linguistics & Anthropology
Linguistics & Computer Science
Linguistics & English

Linguistics & Language Majors:
  • Linguistics & Asian Languages & Cultures
  • Linguistics & French
  • Linguistics & Italian
  • Linguistics & Scandinavian Languages
  • Linguistics & Spanish
  • Linguistics & Philosophy

Linguistics & Psychology

 linguis (continued)
All linguistics majors:
One course in introduction to linguistics
Two years of one foreign language
Additional requirements for each major can be found here: http://linguistics.ucla.edu

Required by end of spring before transfer:
  • One year of college level coursework in the declared language OR at least one year of high school in which the primary language of instruction was the declared language.

NOTE: Completion of an introduction to linguistics course is strongly recommended. Completion of two years of college level foreign language is strongly preferred.

MATHEMATICS MAJORS
MATHEMATICS
APPLIED MATHEMATICS
MATHEMATICS OF COMPUTATION
FINANCIAL ACTUARIAL MATHEMATICS
MATHEMATICS/APPLIED SCIENCE
MATHEMATICS/ECONOMICS
MATHEMATICS FOR TEACHING

Required by end of spring before transfer:
  • Four semesters/five quarters of calculus through multivariable and either linear algebra or differential equations

Additional recommended courses prior to transfer:
  • Linear algebra and differential equations
  • One introductory course in C++

Additional requirements for the Mathematics majors can be found at http://www.math.ucla.edu
MIDDLE EASTERN STUDIES
One year of Arabic, Armenian, Hebrew, Persian, Turkish, or another modern Middle Eastern language
Two courses from the following:
- History of the Middle East
- Survey of religious, political and cultural history of Jerusalem
- Survey of great civilizations of ancient Near East
- Origins of Judaism, Christianity, and Islam
- Survey of modern Middle Eastern cultures

Required by end of spring before transfer:
- One year of college level modern Middle Eastern language OR at least one year of high school in which the primary language of instruction was a modern Middle Eastern Language

NORDIC STUDIES
While there are no specific preparation courses required for admission into this major, the department recommends completion of IGETC or the General Education course pattern at your college. For more information regarding major preparation, please visit, www.scandinavian.ucla.edu.

PHILOSOPHY
One introductory course in philosophy of the mind or in skepticism and rationality
One introductory course in ethical theory
One introductory course in symbolic logic
One additional introductory philosophy course (e.g., contemporary moral issues, Western philosophy, introduction to philosophy, etc.)

PHYSICS (B.A. & B.S.)
One and a half years of calculus (3 semesters/4 quarters) with analytic geometry through multivariable Linear algebra
Differential equations
One and a half years of calculus-based physics (mechanics, electricity, magnetism, etc.)
One year of general chemistry

Required by the spring before transfer:
- One and a half years of calculus with analytic geometry (3 semesters/4 quarters) through multivariable
- One year of calculus-based physics (mechanics, electricity, and magnetism)
- Linear Algebra

PHYSICS (continued)
NOTE: It is strongly recommended that the remainder of major prep be completed prior to transfer.

POLITICAL SCIENCE
Four of the following courses:
- Introduction to political theory
- International relations/world politics
- Introduction to American government/politics
- Introduction to comparative politics
- Politics and strategy
- Diversity and disagreement

One course in statistics
All statistics courses used towards meeting the requirement for this major must be articulated with UCLA’s Statistics 10.
View articulation agreements on assist.org to see if your college offers an approved course. Not all UC-transferable statistics courses are equivalent to UCLA’s Statistics 10 even though they may be used for IGETC.

Required by the spring before transfer:
- A minimum of three of the preparatory courses must be completed

PSYCHOLOGY
One course in introductory psychology
One course in introductory biology or biology for the major
One course in introductory physics or chemistry
One course in philosophy
One quantitative reasoning course in statistics, finite mathematics, calculus, computer science theory, or programming in C++

All preparatory courses listed above must be completed. Students are STRONGLY ENCOURAGED to complete all preparatory courses by the end of fall prior to transfer.

NOTE: You must be admitted directly into this major. You will not be able to change into this major after admission.

RUSSIAN STUDIES
Two years of Russian language
One course in introduction to Russian civilization

Required by spring before transfer:
- One year of college level Russian OR at least one year of high school in which the primary language of instruction was Russian.

NOTE: Completion of two years of college level foreign language is strongly preferred.

SOCIOLOGY
One course in introduction to sociology
One course in statistics

SPANISH, COMMUNITY & CULTURE
Two years of Spanish language
One Spanish civilization course
One Spanish American civilization course

Required by end of spring before transfer:
- One year of college level Spanish OR at least one year of high school in which the primary language of instruction was Spanish.

NOTE: Completion of two years of college level foreign language is strongly preferred.

STATISTICS
One introductory course in statistics
Three semester or four quarter courses of calculus
One course in linear algebra

NOTE: Only approved statistics courses can satisfy the major requirement (see assist.org articulation agreement by major). If your school does NOT offer an approved course, you must still complete one transferable statistics course to be considered for this major.

STUDY OF RELIGION
One course in introduction to history of religion
One course in introduction to philosophy of religion
Two courses selected from:
- Introduction to Buddhism
- Sociocultural anthropology
- Western civilization
- Introduction to civilizations of Africa
- History of China, Japan, India, or the Near and Middle East
KEY POINTS

- Minimum GPA: 3.0
- IGETC Required: No, but strongly encouraged
- Supplemental application required: Yes

Specific requirements, procedures, and deadlines are available on each department’s website.

- Double-major possible: Yes, it is possible to double major with a major in the College, but it can be difficult due to the high number of course requirements in most UCLA Arts majors. Double major requests are considered on a case-by-case basis.

SCHOOL OF THE ARTS AND ARCHITECTURE

www.arts.ucla.edu

- Architectural Studies
- Art
- Dance
- Design/ Media Arts
- World Arts and Cultures

Applicants are considered on the basis of academic achievement as well as departmental screening requirements. California community college students are strongly encouraged to complete IGETC; all other transfer students are encouraged to make progress toward completion of the school’s general education requirements. Arts, Dance, Design/Media Arts, and World Arts and Cultures will consider sophomore applicants. For more information, please visit www.arts.ucla.edu/resource/prospective-students.

ART

Admission to the Art major is very competitive. The most important admission criteria is the supplemental application which requires a portfolio of creative work. While it may be beneficial to complete the courses listed below as recommended preparation, there is no guarantee they will transfer as exact UCLA equivalents. Substitutions for lower division requirements will be determined by the department in the summer following admission. Syllabi or other descriptive course documentation may be required for consideration.

SUGGESTED (NOT REQUIRED) PREPARATION FOR THE MAJOR:

- One course in each of the following:
  - painting, drawing, sculpture, ceramics, new genres, and art theory.

- One course in each of the following:
  - history of art, installation, non-studio work

ARCHITECTURAL STUDIES

The focus of the Architectural Studies major is on the built environment. The curriculum conceives of architecture as a cultural, creative, and technical practice and a discipline with direct social impact. Within the context of a liberal arts education, a finely balanced set of architecture and urban design courses ranging from the history and theory of design to contemporary building technologies will provide students with a diverse foundation of knowledge in the field of architecture and prepare them for graduate school and/or careers in a wide range of fields.

Admission to the Architectural Studies major is very competitive. The most important admission criteria is the supplemental application which requires a portfolio of creative work. While it may be beneficial to complete the courses listed below as recommended preparation, there is no guarantee they will transfer as exact UCLA equivalents. Substitutions for lower division requirements will be determined by the department in the summer following admission. Syllabi or other descriptive course documentation may be required for consideration.

SUGGESTED (NOT REQUIRED) PREPARATION FOR THE MAJOR:

- One course in each of the following:
  - drawing, sculpture, painting, photography, ceramics, and new genres

- Four courses in art history including one covering each of the following art historical periods: 1850s–1920s, 1920s–1960s, and 1960s–present

PORTFOLIO AND SUPPLEMENTAL REQUIREMENTS:

In addition to the general UC Application, applicants must submit a supplemental application that includes a portfolio of creative work (additional fees may apply).

All students must have a cumulative 3.0 GPA at the time of the application (November 30). Students MUST complete the requisite two English courses and one math course by the end of Spring prior to transfer. Students are encouraged to take their required English and math courses as early as possible with at least one English course completed by the end of Fall. Completion of IGETC is not required, but strongly recommended. More information may be found at www.arts.ucla.edu/apply.

Architecture Studies will consider sophomore transfers. For more information about admission criteria for sophomore transfers please visit, www.arts.ucla.edu/apply.

Art will consider sophomore transfers. For more information about admission criteria for sophomore transfers please visit, www.arts.ucla.edu/apply.

DANCE

The Department of World Arts and Cultures/Dance is at the forefront of innovative, interdisciplinary, and cross-cultural studies of the arts, offering a curriculum in which students can explore the vital relationship of the arts and performance to cultural theory and criticism. The Dance major thoroughly integrates learning to dance, learning to make dances, and critical interrogation of dance as a cultural practice. Students study a variety of dance techniques from around the world throughout their studies. They enroll in a four-term sequence in dance composition, with additional opportunities to participate in the creation of their own dances, as well as working as dancers in the creation of new works by faculty members and visiting artists. Furthermore, they engage in a core of four courses in the study of scholarly discourse around the body and dance, launching a critical inquiry into their own study of bodily practices, internalization of the embodied experience, and how bodily ideas and embodied experiences are interpreted and communicated outwardly and interpersonally, both locally and globally.

Admission to the Dance major is very competitive. The most important admission criteria is the supplemental application which includes an audition. While it may be beneficial to complete the courses listed below as recommended preparation, there is no guarantee they will transfer as exact UCLA equivalents. Substitutions for lower division requirements will be determined by the department in the summer following admission. Syllabi or other descriptive course documentation may be required for consideration.

SUGGESTED (NOT REQUIRED) PREPARATION FOR THE MAJOR:

- One course each in improvisation/choreography, dance history and theory, and coursework focusing on using dance as a medium to connect and engage community.

At least eight courses in various dance techniques particularly modern/postmodern dance, Hip-Hop, West African or Ballet.

AUDITION/INTERVIEW AND SUPPLEMENTAL REQUIREMENTS:

In addition to the general UC Application, applicants must submit a supplemental application (additional fees may apply). Dance applicants must audition, in addition to showing strong academic preparation and evidence of involvement in the arts and community that demonstrates interests in varied cultures.
All students must have a cumulative 3.0 GPA at the time of the application (November 30). Students MUST complete the requisite two English courses and one math course by the end of Spring prior to transfer. Students are encouraged to take their required English and math courses as early as possible with at least one English course completed by the end of Fall. Completion of IGETC is not required, but strongly recommended. More information may be found at: www.arts.ucla.edu/apply

Design/Media Arts will consider sophomore transfers. For more information about admission criteria for sophomore transfers, please visit www.arts.ucla.edu/apply

WORLD ARTS AND CULTURES
The Department of World Arts and Cultures/Dance is at the forefront of innovative, interdisciplinary, and cross-cultural studies of the arts, offering a curriculum in which students can explore the vital relationship of the arts and performance to cultural theory and criticism. The World Arts and Cultures major highlights culture and representation as key perspectives for understanding creativity in local and global arenas. Three areas of cross-cultural and interdisciplinary study are available: arts activism, critical ethnographies, and visual cultures. These areas define the department commitment to a range of practices, including ethnography, activism, visual and related expressive arts, documentary and short films, museum and curatorial studies, performance, and other creative perspectives and methods. Courses combine theory and practice and are grounded in culturally diverse artistic expressions.

PREPARATION FOR THE MAJOR:
All preparatory coursework should be completed at UCLA. Substitutions for lower division requirements will be determined by the department in the summer following admission. Syllabi or other descriptive course documentation may be required for consideration.

SUPPLEMENTAL REQUIREMENTS:
In addition to the general UC Application, applicants must submit a supplemental application (additional fees may apply). Successful applicants must have strong academic preparation and show evidence of involvement in the arts and community that demonstrates interests in varied cultures.

All students must have a cumulative 3.0 GPA at the time of the application (November 30). Students MUST complete the requisite two English courses and one math course by the end of Spring prior to transfer. Students are encouraged to take their required English and math courses as early as possible with at least one English course completed by the end of Fall. Completion of IGETC is not required, but strongly recommended. More information may be found at: www.arts.ucla.edu/apply

All preparatory coursework should be completed at UCLA. Substitutions for lower division requirements will be determined by the department in the summer following admission. Syllabi or other descriptive course documentation may be required for consideration.

SUGGESTED (NOT REQUIRED) PREPARATION FOR THE MAJOR:
One course each in drawing, color theory, two-dimensional and three-dimensional form, digital media/computer design, programming for media arts, letterforms and typography, design history, design culture, and interactivity and media arts.

PORTFOLIO AND SUPPLEMENTAL REQUIREMENTS:
In addition to the general UC Application, applicants must submit a supplemental application that includes a portfolio of creative work (additional fees may apply).

All students must have a cumulative 3.0 GPA at the time of the application (November 30). HENRY SAMUELI SCHOOL OF ENGINEERING AND APPLIED SCIENCE
www.engineering.ucla.edu | 310.825.9442

Applicants to the Henry Samueli School of Engineering and Applied Science must have a minimum 3.4 GPA at the time of application to be considered for admission and by the time of entrance must have attained junior standing (60 semester/90 quarter units) and completed preparation for the selected major. Please note that admission to the Henry Samueli School of Engineering and Applied Science is highly selective.

MAJOR REQUIREMENTS FOR THE HENRY SAMUELI SCHOOL OF ENGINEERING AND APPLIED SCIENCE
The Henry Samueli School of Engineering and Applied Science offers the following undergraduate majors:

AEROSPACE ENGINEERING
BIOENGINEERING

CHEMICAL ENGINEERING
CIVIL ENGINEERING

COMPUTER ENGINEERING
COMPUTER SCIENCE

COMPUTER SCIENCE & ENGINEERING

ELECTRICAL ENGINEERING

MECHANICAL ENGINEERING

ENGLISH: Two transferable courses in English composition are required.

MATHEMATICS: Calculus and analytic geometry, calculus of several variables, differential equations, and linear algebra. Aerospace Engineering and Mechanical Engineering do not require differential equations but instead require a mathematics of engineering course.
The UCLA Herb Alpert School of Music aspires to educate the whole student through productive collaborations between performance and scholarship, a cross-cultural, global understanding of the art of music, and preparatory training for a broad range of careers in music after graduation.

**HERB ALPERT SCHOOL OF MUSIC**
www.schoolofmusic.ucla.edu
admissions@schoolofmusic.ucla.edu | 310.825.6457

- Ethnomusicology
- Global Jazz Studies
- Music Education
- Musicology
- Music (Composition, Performance)

The UCLA Herb Alpert School of Music aspires to educate the whole student through productive collaborations between performance and scholarship, a cross-cultural, global understanding of the art of music, and preparatory training for a broad range of careers in music after graduation.

Applicants to the school are considered on the basis of academic achievement as well as departmental screening requirements and must have a minimum 3.0 GPA at the time of application. California community college students are strongly encouraged, but not required, to complete IGETC; all other transfer students are encouraged to make progress toward completion of the school’s general education requirements.

In addition to the LIC Application, applicants are required to submit supplemental application materials (e.g., audition/interview, letters of recommendation, etc). Specific requirements, procedures, and deadlines are available on each department’s website – see individual major sections below for more information. Applicants should begin working on the department’s supplemental application shortly after submitting the LIC Application, as deadlines are strictly enforced. Exemptions/substitutions for lower division requirements will be determined by the department in the summer following admission. Syllabus or other descriptive course documentation may be required for consideration.

**ETHNONMUSICOCOLOGY**
The Ethnomusicology major combines hands-on musical experience with academic study to explore the rich variety of musical expressions throughout the world, including Africa, Europe, the Americas, and West, East, South, and Southeast Asia.

**Recommended (not required) preparation for the major:**
- A one year comprehensive music theory course sequence, covering musicianship and theory, as well as keyboard skills if needed
- Two years of participation in a large performance group such as orchestra, choir, or wind ensemble

**Global Jazz Studies**
The Global Jazz Studies major provides students with an interdisciplinary education that draws from various areas of the Herb Alpert School of Music, as well as from the arts and social sciences. The major focuses on developing students’ skills in performance of multiple jazz styles; knowledge of improvisation, music theory, arranging, and composition; and understanding of the historical and societal context of the development and advancement of jazz in the United States and globally.

**Recommended (not required) preparation for the major:**
- One to two years of applied jazz studio instruction
- One year of musicianship

**Audition and supplemental requirements:**
In addition to the general LIC Application, all applicants are required to audition with program faculty as well as submit a supplemental application by digital upload. Additional fees may apply. Specific guidelines may be found at http://www.schoolofmusic.ucla.edu

**Music**
With a focus on the classical musical traditions of Europe as well as international and American musical styles of the last century, the Music major offers concentrations in Performance and Composition.

**Recommended (not required) preparation for the major:**
- A one year comprehensive music theory course sequence, covering musicianship and theory, as well as keyboard skills if needed
- Two years of applied private instruction on a primary instrument or in voice
- Two years of participation in a large performance group such as orchestra, choir, or wind ensemble

**GLOBAL JAZZ STUDIES**
The Global Jazz Studies major provides students with an interdisciplinary education that draws from various areas of the Herb Alpert School of Music, as well as from the arts and social sciences. The major focuses on developing students’ skills in performance of multiple jazz styles; knowledge of improvisation, music theory, arranging, and composition; and understanding of the historical and societal context of the development and advancement of jazz in the United States and globally.

**Recommended (not required) preparation for the major:**
- One to two years of applied jazz studio instruction
- One year of musicianship

**Audition and supplemental requirements:**
In addition to the general LIC Application, all applicants are required to audition/interview as well as submit a supplemental application by digital upload. Letters of Recommendation are required for select areas. Additional fees may apply. Specific guidelines may be found at: http://www.music.ucla.edu

**Music Education**
The Music Education major is a music teacher preparation program. This major provides students the musical expertise, research skills, and curricular design abilities essential to teach music to the diverse student population of California beyond and to provide administrative leadership in arts education.

**Recommended (not required) preparation for the major:**
- A one year comprehensive music theory course sequence, covering musicianship and theory, as well as keyboard skills if needed
- Two years of applied private instruction on a primary instrument or in voice
- Two years of participation in a large performance group such as orchestra, choir, or wind ensemble

**Audition/Interview and Supplemental Requirements:**
In addition to the general LIC Application, all applicants are required to audition/interview as well as submit a supplemental application by digital upload. Letters of Recommendation are required for select areas. Additional fees may apply. Specific guidelines may be found at: http://www.music.ucla.edu

**Musicology**
The Musicology major is a music teacher preparation program. This major provides students the musical expertise, research skills, and curricular design abilities essential to teach music to the diverse student population of California beyond and to provide administrative leadership in arts education.

**Recommended (not required) preparation for the major:**
- A one year comprehensive music theory course sequence, covering musicianship and theory, as well as keyboard skills if needed
- Two years of applied private instruction on a primary instrument or in voice
- Two years of participation in a large performance group such as orchestra, choir, or wind ensemble

**Audition/Interview and Supplemental Requirements:**
In addition to the general LIC Application, all applicants are required to audition/interview as well as submit a supplemental application by digital upload. Letters of Recommendation are required for select areas. Additional fees may apply. Specific guidelines may be found at: http://www.music.ucla.edu

**Music Education**
The Music Education major is a music teacher preparation program. This major provides students the musical expertise, research skills, and curricular design abilities essential to teach music to the diverse student population of California beyond and to provide administrative leadership in arts education.

**Recommended (not required) preparation for the major:**
- A one year comprehensive music theory course sequence, covering musicianship and theory, as well as keyboard skills if needed

Letters of Recommendation are required for select areas. Additional fees may apply. Specific guidelines may be found at: http://www.music.ucla.edu

**Musicology**
The goals of the Musicology major are grounded firmly in the humanistic study of music. Musicology majors develop the skills to research, analyze, and understand music and music-making in culturally relevant and personally meaningful ways.

**Recommended (not required) preparation for the major:**
- 4 semester/6 quarter units of music performance
- One year of music theory
- 4 semester/6 quarter units of musicianship

**Interview and Supplemental Requirements:**
In addition to the general LIC Application, all applicants are required to interview with departmental faculty as well as submit a supplemental application by digital upload. An audition is not required. Additional fees may apply. Specific guidelines can be found at: www.musicology.ucla.edu

**Music Education**
The Music Education major is a music teacher preparation program. The UCLA School of Nursing offers a prelicensure baccalaureate program leading to the Bachelor of Science degree. Applicants to the School of Nursing must fulfill the UC Application and a supplemental application. The prelicensure nursing degree program is intended to prepare entry-level nurses to care for patients at the bedside. The program has been developed according to the principles of primary, secondary and tertiary prevention, moving from a systems population-based approach to a cohort-based or unit-based perspective, and culminating with an intense focus on individual-level of care. Strong emphasis will be placed on clinical leadership and critical thinking skills. This is a three-year program.

Applicants must have 90 to 105 quarter units (60 to 70 semester units) of transferable coursework, a minimum cumulative GPA of 3.2 in all transferable courses and have fulfilled the University’s American History and Institutions requirement. Applicants from a California community college must provide IGETC certification upon entrance; partial IGETC will not be accepted. Other transfer students must complete the School of Nursing’s general education requirements.

Major Requirements for the School of Nursing

Applicants must complete the following course requirements for the Prelicensure Nursing program with grades of C or better:

Required:
- One year of general biology for the major (cellular and molecular)
- One year of general chemistry for the major
- One semester of organic chemistry for the major
- Human anatomy with lab
- Human physiology with lab
- One course in calculus for life science or with analytic geometry

Strongly recommended:
- Introductory or general microbiology
- Introductory psychology
- Introduction to communication or speech

Applicants to the school must have a minimum 3.2 GPA at the time of application and by the time of entrance must have attained junior standing (60 semester/90 quarter units) and have completed their general education coursework—either the school’s GE requirements, the IGETC at a California community college, or the GE requirements while a student at another UC campus. Completion of the School of Theater, Film and Television’s foreign language requirement before arriving at UCLA is strongly encouraged but not required. In addition to the UC application, applicants are required to submit a supplemental application.

FILM AND TELEVISION

The required supplemental application, includes materials such as: a personal essay, writing samples, transcripts, etc., as well as the two required letters of recommendation. Films and DVDs are not accepted. Prior experience is not required.

Note: Transfer students cannot change to the Film and Television major after admission to UCLA. Additional information may be found at www.tft.ucla.edu/filmba.
To be considered for admission, applicants to Public Affairs pre-major must have a minimum cumulative 3.2 GPA in all transferable coursework at the end of the fall term prior to transfer. Students must attain junior level standing (at least 60 semester/90 quarter transferable units) by the end of the spring term prior to transfer. California Community college students are strongly encouraged to complete IGETC; all other transfer students are encouraged to make progress toward completion of the Luskin School's general education requirements.

NOTE: Applicants are admitted to pre-major status in the College of Letters and Science until prerequisites are satisfactorily completed. Applicants should note that this major is listed under the College of Letters and Science in the UC Application and that the Luskin School has the same general education requirements as the College of Letters and Science.

Preparation for the Public Affairs Major
To be competitive for admission, it is strongly recommended that students complete four (4) of the major preparation courses or equivalents, including PA 40 and PA 60, by the end of the fall prior to transfer. Students must take all major preparation courses for a letter grade and receive a B grade or better in those courses to be competitive for admission. All additional major preparatory coursework, with the exception of PA 10 and PA 70, should be completed by the end of the spring prior to transfer.

If admitted, students must complete all remaining preparatory courses with a B grade or better in their first year at UCLA. Students will be required to submit a supplemental application to the Luskin School during their first year, in order to be admitted to the major: Students must apply to the major before they have completed 115 quarter units.

KEY POINTS
- Minimum GPA: 3.2
- IGETC Required: No, but strongly encouraged
- Supplemental Application: No, not at the time of application. Students are required to submit a supplemental application to the school, in their first year at UCLA.
- Double major possible: Yes

Developing Leaders Engaged in Social Change
The world needs agents of social change whose passion to improve people’s lives is matched by the knowledge and skills to deliver results. UCLA’s Luskin School of Public Affairs will help cultivate this next generation of citizen-minded leaders with a new undergraduate degree, which launched in the fall of 2018.

The B.A. in Public Affairs offers an in-depth and engaged educational experience with a clear public service ethos. The undergraduate major is centered around a multidisciplinary foundation in the social sciences, with an applied emphasis on knowledge and methods for improving society.

The major includes a required experiential learning capstone in the senior year, connecting the dots between theory and action. This capstone combines a multi-quarter internship in a community or government organization with a seminar series in which students develop a project. Most of these capstone projects will take place in the greater Los Angeles area, providing an amazing opportunity for undergraduates to contribute to our global city in a sustained and substantial way.

To be considered for admission, applicants to Public Affairs pre-major must have a minimum cumulative 3.2 GPA in all transferable coursework at the end of the fall term prior to transfer. Students must attain junior level standing (at least 60 semester/90 quarter transferable units) by the end of the spring term prior to transfer. California Community college students are strongly encouraged to complete IGETC; all other transfer students are encouraged to make progress toward completion of the Luskin School’s general education requirements.

NOTE: Applicants are admitted to pre-major status in the College of Letters and Science until prerequisites are satisfactorily completed. Applicants should note that this major is listed under the College of Letters and Science in the UC Application and that the Luskin School has the same general education requirements as the College of Letters and Science.

Required major preparation coursework:
- PA 10: Social Problems and Social Change
- PA 20: Power, Politics, and Policy Change in U.S.
- PA 30: Comparative Analysis of Wealth, Policy, and Power
- PA 40: Microeconomics for Public Affairs
- PA 50: Foundations and Debates in Public Thought
- PA 60: Using Data to Learn about Society: An Introduction to Empirical Research and Statistics
- PA 70: Information, Evidence, and Persuasion
- PA 80: How Environments Shape Human Development

For transfer applicants, the following courses can be used as major prep in lieu of the courses above:
- PA 20: The equivalent of UCLA’s POL SCI 40 - Intro to American Politics
- PA 30: The equivalent of UCLA’s POL SCI 50 or 50R – Intro to Comparative Politics AND ECON 2- Macroeconomics
- PA 40: The equivalent of UCLA’s ECON 1 or ECON 11 - Microeconomics
- PA 50: The equivalent of UCLA’s POL SCI 10 – Intro to Political Theory
- PA 60: The equivalent of UCLA’s STATS 10 - intro to Statistical Reasoning

Highly recommended: If your school offers the equivalent to SOCIOL 20 (Intro to Sociological Research Methods), it is recommended that this be taken in addition to STATS 10.

Please note: If the statistics course you complete does not use R for data management and analysis, you will be required to take a data management & analysis course involving the use of R software in your first quarter at UCLA.
- PA 80: A course focused on lifespan human development (preferred) or child and adolescent development
MINORS

UCLA offers a wide variety of minors, to which interested students may apply after entrance to the University. For more information on our minors, please consult the UCLA General Catalog. Note: all transfer applicants are reviewed and selected on the basis of their declared UCLA major. Interest/preparation towards a minor is not a criterion for admission selection.
