ON-CAMPUS HOUSING

2020/21
Welcome to The Hill

Learning doesn’t just happen in the classroom. It happens in hallways, at the dinner table, and while you’re walking across campus.

In the northwest corner of UCLA there is a place that makes this valuable learning experience possible. A foundation on higher ground that overlooks the campus and the entire City of Angels.

This place is UCLA on-campus housing. We call it “The Hill.” And we think you’ll like calling it home.
OUR LOCATION IS UNBEATABLE

UCLA on-campus housing is a tight-knit community that lets you take a break from the bustle of city life. Your friends, classmates, meals, and resources are all in one central and convenient spot.

The Hill is just steps away from Bruin Walk, the main thoroughfare to the UCLA campus. Westwood Village is right down the street, and public transit and rideshares make it easy to get around LA.

Living in the city feels like I’m in a movie. UCLA’s beauty is breathtaking.

—Belen, 2nd Year Economics
See the world from our windows.
WE START YOU OFF RIGHT

The UCLA journey is a series of firsts. It could be your first time living far away from home, your first time living with roommates, or you could even be the first person in your family to go to college.

Everyone’s first year on The Hill is a little different. At UCLA Housing we take great care to craft the first-year experience so that all students enter into this formative year feeling confident and empowered.

There is no better community than The Hill to help you through the ups and downs of your first year.

—Johnny, 3rd Year Biochemistry
We make you feel at home.

Our furnished rooms and study spaces come with popular amenities like high-speed Internet, a fitness center, a convenience store, free premium streaming service, a mail center, laundry rooms, music practice rooms, outdoor recreation facilities, and community gardens, all with routine housekeeping, maintenance, and 24-hour front desk support.
WE GIVE YOU THE WORLD ON A PLATE

UCLA Housing is known and respected for its award-winning dining program. We approach food as an opportunity to learn through every bite, and our selection of over 1,000 dishes celebrate the diversity of cultures and flavors that live on The Hill.

Our chefs and dieticians keep our menus fresh with new recipes every day, and our flexible dining schedule runs from 7:00 am to 2:00 am.

We offer vegan and vegetarian meal choices at all of our residential restaurants and boutique cafés, and we also have Kosher, Halal, and gluten-free dining options.
WE CONNECT YOU TO NEW EXPERIENCES

UCLA Housing produces thousands of programs and events a year for its residents.

Major events like True Bruin Welcome, TEDxUCLA, and UCLA Geek Week engage everyone on The Hill with professional quality live events and activities.

In addition, our student-run committees and organizations connect with residents through health & wellness workshops, creative hackathons, open mic nights, and much more.
WE HELP YOU

LEARN AND GROW

UCLA Housing is a thriving center for learning. We host General Education cluster courses and Fiat Lux seminars right on The Hill.

Our Faculty in Residence and eleven Living Learning Communities help residents explore ideas and identities through events, field trips, conversations, and more.

Discover the latest creative technology in our computer labs, a digital music production studio, and a do-it-yourself makerspace.

Students can also acquire valuable skills by working part-time on The Hill or joining the on-campus housing government council.

NEIL GARG
Distinguished professor of Chemistry.
2018 recipient of the Robert Foster Cherry Award for Great Teaching.
Faculty in Residence on The Hill.
College is a tremendous life change. UCLA Housing helps students make the transition to campus life in safe and inclusive environments.

Resident Assistants on each floor are an excellent resource for support and advice. Building access is controlled through secure entry points, and our Community Service Officers and live-on staff are available 24 hours a day to protect and help you in a crisis.

UCLA Housing also strives to make The Hill the healthiest university housing environment in the country. We collaborate with the Healthy Campus Initiative and the Arthur Ashe Center for Student Wellness to promote well-being on every level: in body, mind, and spirit.
At UCLA Housing there’s always something new and exciting on the horizon.

Currently, we’re building a 600-unit residence hall slated to open Fall 2021. This project will bring us one step closer to offering housing for all students.

This year, we also wrapped up celebrating UCLA’s 100th birthday with a full schedule of events on The Hill.

In 2028, The Hill will transform into the Olympic and Paralympic Village and host over 25,000 athletes for the XXXIV Summer Olympic Games.

Join us on The Hill

On-campus housing is the cornerstone of the UCLA undergraduate experience. Living on The Hill offers you the best in value, convenience, and community. That’s why 98% of incoming freshmen and 53% of incoming transfer students choose to live on campus in UCLA Housing.

Ultimately, all anyone is really looking for is a place to belong. A place that sees the best in us, that wants the best for us, that does the best by us.

UCLA Housing is that place.
You belong here.
