This guide serves as a primary resource in determining which courses to complete for major preparation.

Applicants from California community colleges should use this guide in conjunction with www.assist.org and www.admission.ucla.edu/transfer to determine which specific courses you should be taking at your institution. This guide is not a substitute or replacement for your college counselor, who can advise you about requirements for multiple universities.

UCLA is committed to being a transfer-friendly institution. Strong academic preparation and performance make you a more competitive candidate during the admission review process. The average GPA of admitted transfer students is above 3.5, and admitted students have completed most or all major preparatory courses. We give highest priority to applicants from California community colleges and other UC campuses.

**TRANSFeR admission**

- Junior-level standing (60 semester/90 quarter UC transferable units completed) by the end of the spring term before you transfer.
- GPA of 3.2 or higher earned in all transferable courses.
- Progress towards completion of major preparation requirements by the end of spring prior to transfer.

For more information regarding major preparation requirements, utilize www.assist.org and www.admission.ucla.edu/transfer for the most current updates.

- Completion of the following by the end of spring prior to transfer:
  - Two (2) transferable courses in English composition/critical thinking and writing
  - One (1) transferable math course with a prerequisite of intermediate algebra or higher
  - Four (4) transferable college courses in at least two of the following subject areas: arts and humanities, social and behavioral sciences, physical and biological sciences

**PERSONAL CRITERIA**

- Employment while attending school
- Involvement in campus organizations and community service
- Military service
- Other opportunities or challenges that may have shaped your educational experiences

Students are strongly encouraged to take their required English and math courses as early as possible with at least one English course and math completed by the end of fall.

To be competitive for admission to UCLA, students should focus on completing the general UC transfer requirements and major preparation first.

IGETC is only required for School of Nursing and School of Theater, Film and Television.

UCLA does not pre-evaluate course transferability prior to submission of an application.

Double check your coursework on www.assist.org. Students may be deficient units because a course was not transferable, or did not receive credit due to limitations, duplications or other restrictions.

Students who have completed courses outside the California Community College system should compare their coursework with courses in the UCLA General Catalog (http://catalog.registrar.ucla.edu).

Courses completed in the summer immediately prior to transfer cannot be used to fulfill the minimum unit requirement.

The most competitive applicants for Business Economics, Economics, and Psychology will have completed all major prep by the end of fall prior to transfer.

- **MAJOR PREP TIPS**
  - Students MUST complete their major preparation requirements by the end of spring prior to transfer.
  - Students MUST take the correct calculus course sequence for their major. Visit www.assist.org to determine the required calculus course or sequence that fulfills major preparation requirements.
  - Students applying to a highly selective major should complete the majority of their major prep as early as possible.

- **TRANSFER TIPS**
  - Provide an accurate email address on your UC application and check that account regularly. You may receive important information via email throughout the admission process.
  - List the language of instruction at your high school.
  - Explain any gaps in education.
  - Withdrawals, incomplete grades, and academic renewals are not necessarily viewed negatively. Take time to address these in your application so that we have a clear understanding of your academic progress.

- **APPLICATION TIPS**
  - Report courses exactly as they appear on your transcript, including nontransferable courses and withdrawals. You must report all courses completed at any post-secondary institution. You may not omit any courses or previous institutions from your UC application.
  - Your fall grades and planned spring coursework in January through the Transfer Academic Update (TAU) by January 31st. We cannot review your application if you have not submitted your TAU.
  - You can import information directly into the UC Application from the UC Transfer Admission Planner (UC TAP).

- **PERSONAL INSIGHT QUESTIONS**
  - The UC Application asks all transfer applicants to answer one required question, and three out of seven additional questions.
  - The Personal Insight Questions offer us an opportunity to learn more about you and to understand the experiences, accomplishments, and points of view you would bring to UCLA’s undergraduate student community.
    - Each response is limited to a maximum of 350 words.
    - Choose to respond to the three questions that are most relevant to your experience and that best reflect your individual circumstance.
    - All questions are given equal consideration in the application review process. There is no advantage or disadvantage to choosing certain questions over others.

  - **REQUIRED TRANSFER APPLICANT QUESTION**
    - Please describe how you have prepared for your intended major, including your readiness to succeed in your upper-division courses once you enroll at the university.

  - **ADDITIONAL QUESTIONS**
    1. Describe an example of your leadership experience in which you have positively influenced others, helped resolve disputes, or contributed to group efforts over time.
    2. What have you done to make your school or your community a better place?
    3. How do you think your education at UCLA will contribute to the intellectual vitality, cultural life, and diversity of UCLA?

  - **APPLICATION TIMELINE**

  - **SECTIONS OF THE APPLICATION**
    1. About you
    2. Campuses & majors
    3. Academic History
    4. Test scores
    5. Activities & awards
    6. Scholarships & programs
    7. Personal Insight
If you think your undergraduate major will determine your future career, think again! Most undergraduate majors are broad and theoretical, providing you with marketable skills in critical thinking, writing, problem solving, and communication that are valued by employers in every field.

**UCLA David Geffen School of Medicine**
Any major is appropriate for medical school preparation. UCLA students who have gone on to medical school have majored in a wide variety of areas, including Anthropology, Business, Communication, Music, Political Science, and Religion.

**UCLA School of Law**
Applicants with any undergraduate major are welcome to apply, and the Law School Admissions Committee does not prefer certain majors over others. The study of law transcends any individual academic discipline.

CHEMISTRY MAJORS
CHEMISTRY - CHEMISTRY/MATERIAL SCIENCE ALL MAJORS:
One and a half years of calculus with analytic geometry (3 semesters/4 quarters) through multivariable
One course in Linear Algebra
One year of general chemistry with lab
One course in organic chemistry with lab
One course in calculus-based physics with lab

Additional recommended courses prior to transfer:
CHEMISTRY:
• A second semester of calculus-based physics with lab
• A second semester of organic chemistry with lab
CHEMISTRY/MATERIALS SCIENCE:
• Two additional semesters of calculus-based physics with lab

Required by end of spring before transfer:
• One year of college level Spanish OR at least one year of high school in which the primary language of instruction was Spanish.

NOTE: Completion of two years of college level foreign language is strongly preferred.

CLASSES

GRADUATE STUDIES
Two courses in calculus (3 semesters/4 quarters)

One course in differential equations
One course in linear algebra
One and a half years of calculus (3 semesters/4 quarters)

Required by end of spring before transfer:
• A minimum of five preparatory courses must be completed

COMMUNICATION

One course in introduction to mass and interpersonal communication
One course in principles of public speaking
One course in introduction to linguistics, meaning of communication, or culture in communication

Two years of one foreign language or a combination of courses in foreign language and foreign literature in translation.

ENVIRONMENTAL SCIENCE (continued)
One year of general chemistry with lab
One year of calculus
Additional recommended coursework prior to transfer
- A second year of calculus

GEOGRAPHY/ENVIRONMENTAL STUDIES
One course in physical geography or biogeography
One course in cultural, economic, or world regions geography
One course in people and ecosystems
Statistics

GEODESY
One introductory course in Earth science
One year of general chemistry with lab
One year of calculus

GEOPHYSICS
One introductory course in Earth science
One year of calculus

GLOBAL STUDIES
Introduction to globalization

HISTORY
Five courses, with no more than two from any of the following three categories:
- Culture and Society
- History
- World History

ENVIRONMENTAL SCIENCE
One year of general chemistry with lab
One year of general biology with lab for the major (evolution, cellular)
One year of calculus-based physics (mechanics, electricity, and magnetism)

GEODESY/ENVIRONMENTAL STUDIES (continued)
One course in physical geography or biogeography
One course in cultural, economic, or world regions geography
One course in people and ecosystems
Statistics

GEOLOGY
One introductory course in Earth science
One year of general chemistry with lab
One year of calculus

HUMAN BIOLOGY & SOCIETY (B.A.)
One course in human evolution
One year of biology with lab for the major (evolution, cellular)
One course in statistics

ENGLISH (continued)
One course in English composition (expository writing)
One course in critical reading and writing (composition and literature)
One year survey of literature in English
- British lit to 1850

The focus of the Architectural Studies major is on the built environment. The curriculum conceives of architecture as a cultural, creative, and technical practice and a discipline with direct social impact. Within the context of a liberal arts education, a finely balanced set of architecture and urban design courses ranging from the history and theory of design to contemporary building technologies will provide students with a diverse foundation of knowledge in the field of architecture and prepare them for graduate school and/or careers in a wide range of fields.

Admission to the Architectural Studies major is very competitive. The most important admission criteria is the supplemental application which requires a portfolio of creative work. While it may be beneficial to complete the courses listed below as recommended preparation, there is no guarantee they will transfer as exact UCLA equivalents. Substitutions for lower division requirements will be determined by the department in the summer following admission. Syllabi or other descriptive course documentation may be required for consideration.

SUGGESTED (NOT REQUIRED) PREPARATION FOR THE MAJOR:

One course in each of the following:
- drawing, sculpture, painting, photography, ceramics, and new genres (performance art, video art, installation, non-studio work)
- art historical periods (one each): 1850s – 1920s, 1920s – 1960s, 1960s – present; at least one of the four courses (total) in art history. Three of the four should cover the following art historical periods (one each): 1850s – 1920s, 1920s – 1960s, 1960s – present, at least one of the four should include significant representation of non-European/North American art historical traditions
- Four courses (total) in art history.
- Participation in the creation of their own dances, as well as the development of their own choreography, performance, and dance composition, with additional opportunities to participate in the creation of their own dances, as well as in the development of their own choreography, performance, and dance composition.

admissions@schoolofmusic.ucla.edu | 310.825.6457

+ Ethnomusicology + Global Jazz Studies + Music Education + Musicology + Music (Composition, Performance)

The UCLA Herb Alpert School of Music aspires to educate the whole student through productive collaborations between performance and scholarship, a cross-cultural understanding of the art of music, and preparatory training for a broad range of careers in music after graduation.

Applicants to the school are considered on the basis of a comprehensive evaluation as well as departmental screening requirements and must have a minimum 3.0 GPA at the time of application. California community college students are strongly encouraged, but not required, to complete ICETC. All other transfer students are encouraged to make progress toward completion of the school’s general education requirements.

In addition to the UC Application, applicants are required to submit supplemental application materials (e.g., audition/interview, letter of recommendation, etc., additional fees may apply). Applicants will be sent a user ID between 3–5 days after the November 30th UC application deadline. The login credentials can be used to access the supplemental application. For undergraduate applicants, the supplemental application will be due Wednesday, December 11, 2019. Specific requirements, procedures, and deadlines are available on each department’s website – see individual major sections below for more information. Applicants should begin working on the department’s supplemental application shortly after submitting the UC Application, as deadlines are strictly enforced. Exemptions/substitutions for lower division requirements will be determined by the department in the summer following admission. Syllabi or other descriptive course documentation may be required for consideration.

ETHNOMUSICOCOLOGY

The Ethnomusicology major combines hands-on musical experience with academic study to explore the rich variety of musical expressions throughout the world, including Africa, Europe, the Americas, and West, East, South, and Southeast Asia.

Recommended (not required) preparation for the major:
• A one year comprehensive music theory course sequence, covering musicianship and theory, as well as keyboard skills if needed
• Two years of participation in a large performance group such as orchestra, choir, or wind ensemble

Audition and supplemental requirements:

The UCLA School of Nursing offers a prelicensure baccalaureate program leading to the Bachelor of Science degree. Applicants to the School of Nursing must fill out the UC Application and a supplemental application. The prelicensure nursing degree program is intended to prepare entry-level nurses to care for patients at the bedside. The program has been developed according to the principles of primary, secondary and tertiary prevention, moving from a systems population-based approach to a cohort-based or unit-based perspective, and culminating with an intense focus on individual-level of care. Strong emphasis will be placed on clinical leadership and critical thinking skills. This is a three-year program. Applicants must have 90 to 105 quarter units (60 to 70 semester units) of transferable coursework, a minimum 3.2 GPA, and have completed their general education coursework—either the School’s GE requirements, the IGETC at a California community college, or the GE requirements of a major at another UC campus. Completion of the School of Nursing’s general education coursework—either the School’s GE requirements, the IGETC at a California community college, or the GE requirements while a student at another UC campus. Completion of the School of Nursing’s foreign language requirement before arriving at UCLA is strongly encouraged but not required. In addition to the UC application, applicants are required to submit a supplemental application.

Major Requirements for the School of Nursing

Applicants must complete the following course requirements for the Prelicensure Nursing program with grades of C or better:

**Required:**
- One year of general biology for the major (cellular and molecular)
- One year of general chemistry for the major
- One semester of organic chemistry for the major
- Human anatomy with lab
- Human physiology with lab

**Strongly recommended:**
- Introductory or general microbiology
- Introductory psychology
- Introduction to communication or speech
- One course in calculus for life science or with analytic geometry

Applicants to the school must have a minimum 3.2 GPA at the time of application and by the time of entrance must have attained junior standing (60 semester/90 quarter units) and have completed their general education coursework—either the school’s GE requirements, the IGETC at a California community college, or the GE requirements while a student at another UC campus. Completion of the School of Nursing’s foreign language requirement before arriving at UCLA is strongly encouraged but not required. In addition to the UC application, applicants are required to submit a supplemental application.

**FILM AND TELEVISION**

The School of Theater, Film and Television offers undergraduate majors in **Theater** and in **Film and Television**. Both majors provide a comprehensive introduction to the history, theory, and practice of these art forms within the context of a liberal arts education.

Undergraduates in Theater study the history of world and American theater, contemporary theater issues, acting and performance, playwriting and analysis, design, directing, theater production, and complete a sequence of advanced courses in an emphasis along with a capstone project. Undergraduates in Film & Television study the history of film and television, screenwriting, animation, film and television production, including cinematography, editing, directing the camera, and digital media and tools. Undergraduates complete a senior concentration in one area of specialization and a professional internship.

**THEATER**

Applicants interested in the Theater major must choose one of the following emphases on the UC Application: Acting, Design/Production, Musical Theater, or Integrated Studies. Students interested in Directing or Playwriting should apply via Integrated Studies. In addition to the general UC Application, a supplemental application is required. This includes materials such as a headshot, writing samples, transcripts, resumes, etc. Applicants will be contacted ONLY if more information is needed and an interview/audition will be required. Note: Transfer students cannot change to the Theater major after admission to UCLA. Additional information may be found at www.tft.ucla.edu/theaterba.

**PREPARATION FOR THE MAJOR**

- One course in theater (recommended)

**PREPARATION FOR THE MAJOR**

- Acting, Design, Play analysis, or Theater history (recommended)
To be considered for admission, applicants to Public Affairs pre-major must have a minimum cumulative 3.2 GPA in all transferable coursework at the end of the fall term prior to transfer. Students must attain junior level standing (at least 60 semester/90 quarter transferable units) by the end of the spring term prior to transfer. California Community College students are strongly encouraged to complete IGETC; all other transfer students are encouraged to make progress toward completion of the Luskin School’s general education requirements.

NOTE: Applicants are admitted to the major in the Luskin School of Affairs pending satisfactory completion of the prerequisites. Applicants should note that this major is listed under the College of Letters and Science in the UC Application and that the Luskin School has the same general education requirements as the College of Letters and Science.

Preparation for the Public Affairs Major
To be competitive for admission, it is strongly recommended that students complete four (4) of the major preparation courses or equivalents, including PA 40 and 60, by the end of the fall prior to transfer. Students must take all major prep courses for a letter grade and receive a B grade or better in these courses to be competitive. All additional major prep with the exception of PA 10 and PA 70 should be completed by the end of the spring term prior to transfer. While AP Exams may be beneficial for transfer credit, they will NOT be acceptable to satisfy major preparation for students applying to the Public Affairs program Fall 2020 or later.

For transfer applicants, the following course substitutions can be used as major prep:

Developing Leaders Engaged in Social Change
The world needs agents of social change whose passion to improve people’s lives is matched by the knowledge and skills to deliver results. UCLA’s Luskin School of Public Affairs will help cultivate this next generation of citizen-minded leaders with a new undergraduate degree, which launched in the fall of 2018.

The B.A. in Public Affairs offers an in-depth and engaged educational experience with a clear public service ethos. The undergraduate major is centered around a multidisciplinary foundation in the social sciences, with an applied emphasis on knowledge and methods for improving society.

The major includes a required experiential learning capstone in the senior year, connecting the dots between theory and action. This capstone combines a multi-quarter internship in a community or government organization with a seminar series in which students develop a project. Most of these capstone projects will take place in the greater Los Angeles area, providing an amazing opportunity for undergraduates to contribute to our global city in a sustained and substantial way.
