UCLA

TRANSFER ADMISSION GUIDE

2020

YOUR GUIDE through the transfer admission process
UCLA is committed to being a transfer-friendly institution. Strong academic preparation and performance make you a more competitive candidate during the admission review process. The average GPA of admitted transfer students is above 3.5, and admitted students have completed most or all major preparatory courses. We give highest priority to applicants from California community colleges and other UC campuses. UCLA admits students for fall quarter only.

WE UTILIZE A COMPREHENSIVE REVIEW PROCESS THAT INCLUDES ACADEMIC & PERSONAL CRITERIA

ACADEMIC CRITERIA
- Junior-level standing (60 semester/90 quarter UC transferable units completed) by the end of the spring term before you transfer.
- GPA of 3.2 or higher earned in all transferable courses.
- Progress towards completion of major preparation requirements by the end of spring prior to transfer. For more information regarding major preparation requirements, utilize www.assist.org and www.admission.ucla.edu/transfer for the most current updates.
- Completion of the following by the end of spring prior to transfer:
  - Two (2) transferable courses in English composition/critical thinking and writing
  - One (1) transferable math course with a prerequisite of intermediate algebra or higher
  - Four (4) transferable college courses in at least two of the following subject areas: arts and humanities, social and behavioral sciences, physical and biological sciences

PERSONAL CRITERIA
- Employment while attending school
- Involvement in campus organizations and community service
- Family responsibilities
- A return to school where early grades are not indicative of strong academic performance
- Military service
- Other opportunities or challenges that may have shaped your educational experiences

ASSIST (www.assist.org) provides detailed information on transferable courses, major prep requirements, and course articulation.

UCLA Admission Representatives visit many California community colleges throughout the year. Visit your college transfer center to schedule an appointment. You can also view our Meet Your Counselor page to find the contact information for your school’s assigned representative: www.admission.ucla.edu/myrep

UC Transfer Admission Planner (UC TAP) is an online tool designed to help prospective UC students track and plan their course work with counselors and UC representatives. Visit uctap.universityofcalifornia.edu to learn more.

Students are strongly encouraged to take their required English and math courses as early as possible with at least one English course and math completed by the end of fall.

To be competitive for admission to UCLA, students should focus on completing the general UC transfer requirements and major preparation first.

IGETC is only required for School of Nursing and School of Theater, Film and Television.

UCLA does not pre-evaluate course transferability prior to submission of an application.

Double check your coursework on www.assist.org. Students may be deficient units because a course was not transferable, or did not receive credit due to limitations, duplications or other restrictions.

Students who have completed courses outside the California Community College system should compare those course descriptions with courses in the UCLA General Catalog (http://catalog.registrar.ucla.edu).

Courses completed in the summer immediately prior to transfer cannot be used to fulfill the minimum unit requirement.

Report courses exactly as they appear on your transcript, including nontransferable courses and withdrawals. You must report all courses completed at any post-secondary institution. You may not omit any courses or previous institutions from your UC application.

Provide an accurate email address on your UC application and check that account regularly. You may receive important information via email throughout the application review process.

List the language of instruction at your high school.

Provide your fall grades and planned spring coursework in January through the Transfer Academic Update (TAU).

By January 31st, we cannot review your application if you have not submitted your TAU.

Explain any gaps in education.

Withdrawals, incomplete grades, and academic renewals are not necessarily viewed negatively. Take time to address these in your application so that we have a clear understanding of your academic progress.

You can import information directly into the UC Application from the UC Transfer Admission Planner (UC TAP).

The most competitive applicants for Business Economics, Economics, and Psychology will have completed all major prep by the end of fall prior to transfer.

Students applying to a highly selective major should complete the majority of their major prep as early as possible.

The personal insight questions offer us an opportunity to learn more about you and to understand the experiences, accomplishments, and points of view you would bring to UCLA’s undergraduate student community.

• Each response is limited to a maximum of 350 words.
• Choose to respond to the three questions that are most relevant to your experience and that best reflect your individual circumstance.
• All questions are given equal consideration in the application review process. There is no advantage or disadvantage to choosing certain questions over others.

Students MUST take the correct calculus course sequence for their major. Visit www.assist.org to determine the required calculus course or sequence that fulfills major preparation requirements.

Students MUST complete their major preparation requirements by the end of spring prior to transfer.

The UC Application asks all transfer applicants to answer one required question, and three out of seven additional questions. The Personal Insight Questions offer us an opportunity to learn more about you and to understand the experiences, accomplishments, and points of view you would bring to UCLA’s undergraduate student community.

APPLYING TO UCLA

We are looking for intellectual curiosity and your interest in personal development in your application. UCLA is a dynamic place due to our creative, ambitious, and diverse student body. We anticipate the applicant we admit will contribute to the intellectual vitality, cultural life, and diversity of UCLA.

Students who have completed courses outside the California Community College system should compare those course descriptions with courses in the UCLA General Catalog (http://catalog.registrar.ucla.edu).

If you think your undergraduate major will determine your future career, think again! Most undergraduate majors are broad and theoretical, providing you with marketable skills in critical thinking, writing, problem solving, and communication that are valued by employers in every field.

UCLA David Geffen School of Medicine
Any major is appropriate for medical school preparation. UCLA students who have gone on to medical school have majored in a wide variety of areas, including Anthropology, Business, Communication, Music, Political Science, and Religion.

UCLA School of Law
Applicants with any undergraduate major are welcome to apply, and the Law School Admissions Committee does not prefer certain majors over others. The study of law transcends any individual academic discipline.

THE COLLEGE OF LETTERS AND SCIENCE

www.college.ucla.edu

You should complete as many major preparatory courses as possible prior to transferring based on the availability of the courses at your current school and/or local schools. California community college students are strongly encouraged to complete IGETC; all other transfer students are encouraged to make progress toward completion of the UCLA general education requirements.

There may be additional lower division requirements that students can complete at their current institutions or at UCLA. Should a major not have specific prerequisites, we expect students to demonstrate academic interest by completing courses related to the major.

AFRICAN AMERICAN STUDIES

One African American Studies course
One civilization of Africa course

NOTE: If these courses are not available, applicants must demonstrate sincere interest in the major.

AFRICAN AND MIDDLE EASTERN STUDIES

Two years of Arabic, Armenian, Hebrew, Persian, Turkish, or African language

One course from:
- Art history
- History (post-1750) of Africa or the Middle East

Two courses from:
- Sociocultural anthropology
- Contemporary world history
- World literature

Two courses from:
- Comparative politics
- Microeconomics
- Introductory sociology

Required by end of spring before transfer:
- One year of college level language for the major (see above) or at least one year of high school in which the primary language of instruction was Arabic, Armenian, Hebrew, Persian, Turkish, or an African language
- At least two of the preparatory courses listed above (in addition to foreign language)

NOTE: Completion of intermediate/advanced foreign language is strongly preferred.

ANCIENT NEAR EAST AND EGYPTOLOGY

One civilization course on Mesopotamia, Egypt, Near Eastern archaeology, or Middle Eastern cultures

NOTE: If these courses are not available, applicants must demonstrate sincere interest in the major.

ANTHROPOLOGY (B.A.)

One course in human evolution
One course in archaeology
One course in sociocultural anthropology
One course in culture and communication

ANTHROPOLOGY (B.S.)

One course in human evolution
One course in archaeology
One course in sociocultural anthropology
One course in culture and communication
One course in statistics
One year of general biology with lab for the major
One year of calculus
One year of general chemistry with lab
One year calculus-based physics with lab
One lower division course in organic chemistry

Required by end of spring before transfer:
- A minimum of six preparatory courses.

AMERICAN INDIAN STUDIES

One introductory course in American Indian studies
Two courses from the following:
- Sociocultural anthropology
- American politics
- Statistics
- Introduction to gender studies

AMERICAN LITERATURE & CULTURE

One course in English composition (expository writing)
One course in critical reading and writing (composition and literature)
One course in Introduction to American Cultures
Once Course in Topics in American Cultures

Two years of one foreign language or a combination of courses in foreign language and foreign literature

NOTE: Effective for fall 2020 admission and thereafter, to be considered for the American Literature & Culture major, students will need to complete the following major prep: One course in English composition (expository writing), One course in critical reading and writing (composition and literature), the equivalent of UCLA’s English 11 (American Cultures), the equivalent of UCLA’s English 87 (Topics in American Cultures), and two years of one foreign language or a combination of courses in foreign language and foreign literature. Effective for fall 2020 admission, one year of British literature will no longer be approved as major preparation for this major.

AFRICAN AMERICAN STUDIES

One African American Studies course
One civilization of Africa course

NOTE: If these courses are not available, applicants must demonstrate sincere interest in the major.

AFRICAN AND MIDDLE EASTERN STUDIES

Two years of Arabic, Armenian, Hebrew, Persian, Turkish, or African language

One course from:
- Art history
- History (post-1750) of Africa or the Middle East

NOTE: If these courses are not available, applicants must demonstrate sincere interest in the major.

ANTHROPOLOGY (B.A.)

One course in human evolution
One course in archaeology
One course in sociocultural anthropology
One course in culture and communication

ANTHROPOLOGY (B.S.)

One course in human evolution
One course in archaeology
One course in sociocultural anthropology
One course in culture and communication
One course in statistics
One year of general biology with lab for the major
One year of calculus
One year of general chemistry with lab
One year calculus-based physics with lab
One lower division course in organic chemistry

Required by end of spring before transfer:
- A minimum of six preparatory courses.
**ART HISTORY**

Two courses from the following:

- Ancient art
- Medieval art
- Renaissance and Baroque art
- Modern art
- Museum Studies

Two courses from the following:

- Indian/Southeast Asian art
- African art
- Chinese art
- Pre-Columbian art

---

**ASIAN LANGUAGES AND LINGUISTICS**

Two years of Chinese, Japanese, Korean, Filipino/Tagalog, Hindi, Indonesian, Thai, or Vietnamese

One civilization course on Asia or one introduction to Asian religions course

One introduction to linguistic analysis course

Required by end of spring before transfer:

- One year of a college level Asian language OR at least one year of high school in which the primary language of instruction was an Asian language

**NOTE:** Completion of two years of college level foreign language is strongly preferred.

---

**ASIAN LANGUAGES AND CULTURES**

**ASIAN HUMANITIES**

Two years of Chinese, Japanese, Korean, Filipino/Tagalog, Hindi, Indonesian, Thai, or Vietnamese

One course from the following:

- Asian civilization
- Introduction to Buddhism
- Introduction to Asian religions

**ASIAN RELIGIONS**

Two years of Chinese, Japanese, Korean, Filipino/Tagalog, Hindi, Indonesian, Thai, or Vietnamese or one year of Sanskrit

One course in introduction to Buddhism or introduction to Asian religions

---

**ASIAN STUDIES**

Two years of an Asian language (e.g. Chinese, Japanese, Korean, Tagalog, Vietnamese, Hindi/Urdu, etc.)

One course from the following:

- Chinese art
- Indian/Southeast Asian art
- Asian Religions
- History of Asia (post-1750)
- Asian Civilization (Chinese, Korean, or Japanese)

Two courses from the following:

- Sociocultural anthropology
- Cultural geography
- Contemporary world history
- World literature

Two courses from the following:

- Comparative politics
- Economic geography
- Macroeconomics
- Microeconomics
- Introductory sociology

Required by end of spring before transfer:

- One year of a college level Asian language OR at least one year of high school in which the primary language of instruction was an Asian language
- At least two of the preparatory courses listed above (in addition to foreign language)

**NOTE:** Completion of intermediate/advanced foreign language is strongly preferred.

---

**ASTROPHYSICS**

One and a half years (3 semesters/4 quarters) of calculus with analytic geometry through multivariable linear algebra

Differential equations

One and a half years of calculus-based physics

- Mechanics, electricity, magnetism, electrodynamics, optics, and special relativity

Two courses in astrophysics (stars, nebulae, stellar evolution, galaxies, and cosmology)

One course in computer programming

One course in general chemistry

Required by end of spring before transfer:

- One and a half years of calculus with analytic geometry (3 semesters/4 quarters) through multivariable linear algebra
- One year of calculus-based physics (mechanics, electricity, and magnetism)
- Linear Algebra

**NOTE:** It is strongly recommended that the remainder of major prep be completed prior to transfer.

---

**BIOPHYSICS**

One and a half years (3 semesters/4 quarters) of calculus with analytic geometry through multivariable linear algebra

Differential equations

One and a half years of calculus-based physics

- Mechanics, electricity, magnetism, etc.

One year of general chemistry

One year of organic chemistry

One year of biology with lab for the major (cellular, molecular, genetic)

Required by the end of spring before transfer:

- One and a half years of calculus with analytic geometry (3 semesters/4 quarters) through multivariable linear algebra
- One year of calculus-based physics (mechanics, electricity, and magnetism)
- Linear Algebra

**NOTE:** It is strongly recommended that the remainder of major prep be completed prior to transfer.

---

**BIOLOGY**

- See Life Sciences.

---

**BIOCHEMISTRY**

One year of calculus (2 semesters/3 quarters)

One year of general chemistry with lab

One year of biology with lab for the major (cellular, molecular, genetic)

One year of organic chemistry with lab

Two semesters/two quarters of calculus-based physics

Multivariable calculus

Linear algebra

Required by end of spring before transfer:

- One year of calculus
- One year of general chemistry with lab
- One year of biology with lab for the major
- One year of organic chemistry with lab

Additional STRONGLY RECOMMENDED courses prior to transfer:

- Two semesters/two quarters of calculus-based physics
- Multivariable calculus
- Linear algebra
BUSINESS ECONOMICS
One course in microeconomics
One course in macroeconomics
Two courses in calculus (from the math/physical science sequence)
One course in introduction to financial accounting
One course in introduction to managerial accounting
One advanced course in English composition

All preparatory courses listed above must be completed.

Students are STRONGLY ENCOURAGED to complete all preparatory courses by the end of fall prior to transfer.

NOTE: You must be admitted directly to this major. You will not be able to change into this major after admission to UCLA.

CENTRAL & EAST EUROPEAN LANGUAGES & CULTURES
One course in introduction to Central, Eastern Europe and Slavic civilization.

NOTE: If course is not available, applicants must demonstrate sincere interest in the major.

CHEMISTRY MAJORS
CHEMISTRY • CHEMISTRY/MATERIAL SCIENCE
ALL MAJORS:
One and a half years of calculus with analytic geometry (3 semesters/4 quarters) through multivariable
One course in Linear Algebra
One year of general chemistry with lab
One course in organic chemistry with lab
One course in calculus-based physics with lab

Additional recommended courses prior to transfer:

CHEMISTRY:
• A second semester of calculus-based physics with lab
• A second semester of organic chemistry with lab
CHEMISTRY/MATERIALS SCIENCE:
• Two additional semesters of calculus-based physics with lab

Required by end of spring before transfer:

• One year of college level Spanish-OR at least one year of high school in which the primary language of instruction was Spanish.

NOTE: Completion of two years of college level foreign language is strongly preferred.

CLASSICAL CIVILIZATION
One year of Greek or Latin
One course in classical Greek culture
One course in Roman civilization
Two courses from the following:
• Classical mythology
• Classical archaeology
• Greek or Latin literature in translation

NOTE: If these courses are not available, applicants must demonstrate sincere interest in the major.

CLAIGNE & CHICANO STUDIES
One course in introduction to Chicana/Chicano history and culture
One course in introduction to Chicana/Chicano social structure and contemporary conditions
The equivalent of five quarter terms of Spanish

Required by end of spring before transfer:

• One year of college level Spanish-OR at least one year of high school in which the primary language of instruction was Spanish.

NOTE: Effective for fall 2021 admission, Linear Algebra will be a required preparation course for all Chemistry majors. Completion of Linear Algebra prior to transfer is strongly recommended.

COGNITIVE SCIENCE
Two courses in calculus/analytic geometry
One course in introductory psychology
One course in introductory biology or biology for the major
One course in introductory physics or chemistry
One course in philosophy (critical reasoning, philosophy of science, or philosophy of the mind)
One course in introduction to C++ programming
One course in intermediate C++ programming
One additional computer programming course

Required by end of spring before transfer:
• A minimum of five preparatory courses must be completed

COMMUNICATION
One course in introduction to mass and interpersonal communication
One course in principles of public speaking
One course in introduction to linguistics, meaning of communication, or culture in communication
One statistics course
Three courses from the following four areas:
• Introductory psychology
• Introduction to American government/politics
• Introductory sociology
• Microeconomics or intro to political economy

THIS MAJOR IS HIGHLY SELECTIVE; applications undergo review by faculty in the Communication department.
A minimum UC-transferable cumulative GPA of 3.70 is required for faculty review.

Required by end of fall before transfer:

• A minimum of four major prep courses from the seven listed above by the fall term prior to admission, and all courses must be taken for a letter grade.

NOTE: If two courses are listed in ASSIST as equivalents of Comm 10, then BOTH courses must be completed in order to satisfy this major requirement.

COMPUTATIONAL AND SYSTEMS BIOLOGY
One course in English composition (expository writing)
One course in critical reading and writing (composition and literature)
Two survey courses in world or English literature

Students must demonstrate one year of proficiency in a foreign language. However, completion of two years of a foreign language is highly recommended as major preparation for upper division courses.

COMPARATIVE LITERATURE
One year of general chemistry with lab
One semester of organic chemistry
One and a half years of calculus (3 semesters/4 quarters) with analytic geometry through multivariable
Linear algebra
Differential equations
One and a half years of calculus-based physics (mechanics, electricity, magnetism, etc.)
One year of biology with laboratory for majors
One intro course in computer science or computer programming
One Statistics course (equivalent to UCLA’s Stats 10 or Life Sciences 40)
Two courses in Computation and Modeling

EARTH & ENVIRONMENTAL SCIENCE (B. A.)
One introductory course in Earth science
One year of general chemistry with lab
One calculus course

Additional recommended courses prior to transfer:

• One course in biology with lab for the major (evolution)
• One course in calculus-based physics with lab (mechanics)

Remaining major preparatory courses may be completed at UCLA after transfer.

ECONOMICS
One course in microeconomics
One course in macroeconomics

Two courses in calculus (from the math/physical science sequence)
One advanced course in English composition

All preparatory courses listed above must be completed.

Students are STRONGLY ENCOURAGED to complete all preparatory courses by the end of fall prior to transfer.

NOTE: You must be admitted directly to this major.
You will not be able to change into this major after admission to UCLA.
ENVIRONMENTAL SCIENCE (continued)
Two additional courses from the following (depending on your concentration):
• One semester of organic chemistry
• Third semester of calculus
• Third semester of calculus-based physics
• General biology with lab for the major (molecular)

EUROPEAN STUDIES
Two years of a modern European language other than English
One course from the following:
• History of Europe (post-1750)
• French literature
• Russian film
Two courses from the following:
• Sociocultural anthropology
• Contemporary world history
• Comparative politics
• Macroeconomics
• Introductory sociology

Required by end of spring before transfer:
• One year of a college level modern European language OR at least one year of high school in which the primary language of instruction was a modern European language
• At least two of the preparatory courses listed above (in addition to foreign language)

NOTE: Completion of intermediate/advanced foreign language is strongly preferred.

GENDER STUDIES
One multidisciplinary gender studies course

Only approved gender studies courses can satisfy the major requirement (see assist.org articulation agreement by major).
If your school does NOT offer an approved course, you must still complete one transferable course related to gender/women to be considered for this major. Courses in history, psychology, sociology, literature, anthropology, etc. related to women/ gender are sufficient for admissions purposes.

GEOGRAPHY
One physical or biogeography course
One cultural, economic or world regions geography course
One statistics course

GEOGRAPHY/ENVIRONMENTAL STUDIES
One course in physical geography or biogeography
One course in cultural, economic, or world regions geography
One course in people and ecosystems

GEOLGY
One introductory course in Earth science
One year of general chemistry with lab

Required by end of spring before transfer: Remaining major preparatory courses may be completed at UCLA after transfer.

GEOPHYSICS
One introductory course in Earth science
One year of calculus

Remaining major preparatory courses may be completed at UCLA after transfer.

GLOBAL STUDIES
Introduction to globalization

Statistics
Two years of a modern foreign language
Five courses, with no more than two from any of the following three categories:
Culture and Society
• Group-A: Sociocultural anthropology, cultural geography, and music, world literature, culture and communication, introduction to gender studies
• Group-B: History of Asian Americans, introduction to Chicana/Chicano studies, world civilizations and cultures (social structure & contemporary conditions)

Governance and Conflict
• Contemporary world history, history of Africa, comparative world politics, political theory, or introduction to sociology

Markets and Resources
• Introduction to economic geography, environment and sustainability, sociology of migration, microeconomics, or macroeconomics

NOTE: If you choose to complete only one course from the Culture and Society area to satisfy this five course requirement, the course must be taken from Group-A. The second course from that area may be from Group-B.

GLOBAL STUDIES (continued)
Required by end of spring before transfer:
• A minimum of six preparatory courses must be completed. No more than two semesters of foreign language may be used toward the minimum six major preparatory courses for admission.

If admitted, students must complete all remaining preparatory courses (including Global Studies 1) with a B grade or better in their first quarter at UCLA. Students must also submit a supplemental application to the department that fall quarter. Students are strongly encouraged to complete at least one year of language prior to matriculation.

HISTORY
One semester or two quarter courses of Western civilization or world history
Two semester or three quarter courses from histories of:
• United States
• Europe
• Africa
• Asia
• Latin America
• Near East
• Science & Technology

NOTE: Effective for Fall 2021 admission, completion of two survey courses from the following will be required:
• United States
• Europe
• Africa
• Asia
• Latin America
• Near East
• Science & Technology

HUMAN BIOLOGY & SOCIETY (B.A.)
One course in human evolution
One year of biology with lab for the major (evolution, cellular)
One course in statistics
One semester of general chemistry
One course from the following:
• Philosophy (contemporary moral issues, political philosophy, philosophy of science, or ethical theory)
• Introduction to gender studies
One course from the following:
• Sociocultural anthropology
• Cultural geography
• Introduction to sociology
• Intro to Chicana/Chicano Studies (social structure & contemporary conditions)

Required by end of spring before transfer:
• A minimum of five major preparatory courses must be completed.
JEWISH STUDIES

One social, cultural, and religious institutions of Judaism course.

Students intending to enter the Jewish Religion, Jewish Literature & Culture, or Israeli Studies track:

• One year of Hebrew language

NOTE: If these courses are not available, applicants must demonstrate sincere interest in the major.

LATIN AMERICAN STUDIES

Two years each of Spanish and Portuguese (or an indigenous language of Latin America)

One course from the following:

• History of Latin America (Colonial)
• History of Latin America (Modern)
• Latin American Cultures

Two courses from the following:

• Sociocultural anthropology
• Contemporary world history
• World literature

Two courses from the following:

• Comparative politics
• Microeconomics
• Introductory sociology

Required by end of spring before transfer:

• One year of college level Spanish or Portuguese OR at least one year of high school in which the primary language of instruction was Spanish or Portuguese.

At least two of the preparatory courses listed above (in addition to foreign language).

NOTE: Completion of two years of college level foreign language is strongly preferred.

LIFE SCIENCES MAJORS

Biology
Ecology, Behavior, & Evolution
Human Biology & Society (B.S.)
Marine Biology
Microbiology, Immunology, & Molecular Genetics
Molecular, Cell, & Developmental Biology
Neuroscience
Physiological Science
Psychobiology

Required by end of spring before transfer:

• One year of biology with lab for the major
• One year of calculus
• One year of general chemistry with lab
• One semester of organic chemistry with lab

Additional recommended courses prior to transfer:

• A second semester of organic chemistry

Additional requirements for the Psychobiology and Human Biology and Society (B.S.) majors can be found in the UCLA General Catalog: catalog.registrar.ucla.edu.

NOTE: Life science majors are required to complete extensive preparatory courses prior to transfer; therefore, you must be admitted directly into a life science major; you will not be able to change from a non-life science major into a life science major after admission to UCLA.

LINGUISTICS

Applied Linguistics
Linguistics
Linguistics & Anthropology
Linguistics & Computer Science
Linguistics & English
Linguistics & Language Majors:
• Linguistics & Asian Languages & Cultures
• Linguistics & French
• Linguistics & Italian
• Linguistics & Scandinavian Languages
• Linguistics & Spanish

Linguistics & Philosophy
Linguistics & Psychology

All linguistics majors:

One course in introduction to linguistics
Two years of one foreign language

Additional requirements for each major can be found here: http://linguistics.ucla.edu.

LINGUISTICS (continued)

Required by end of spring before transfer:

• Four semesters/five quarters of calculus through multivariable and either linear algebra or differential equations

Additional recommended courses prior to transfer:

• Complete the full calculus series (encompassing single variable, multivariable, linear algebra and differential equations)
• One introductory course in C++

Additional requirements for the Mathematics majors can be found at www.math.ucla.edu.
MIDDLE EASTERN STUDIES

One year of Arabic, Armenian, Hebrew, Persian, Turkish, or another modern Middle Eastern language

Two courses from the following:
- History of the Middle East
- Survey of religious, political and cultural history of Jerusalem
- Survey of great civilizations of ancient Near East
- Origins of Judaism, Christianity, and Islam
- Survey of modern Middle Eastern cultures

Required by end of spring before transfer:
- One year of college level modern Middle Eastern language OR at least one year of high school in which the primary language of instruction was a modern Middle Eastern Language

NORDIC STUDIES

While there are no specific preparation courses required for admission into this major, the department recommends completion of IGETC or the General Education course pattern at your college. For more information regarding major preparation, please visit, www.scandinavian.ucla.edu.

PHILOSOPHY

One introductory course in philosophy of the mind or in skepticism and rationality

One introductory course in ethical theory

One introductory course in symbolic logic

One additional introductory philosophy course (e.g., contemporary moral issues, Western philosophy, introduction to philosophy, etc.)

PHYSICS (B.A. & B.S.)

One and a half years of calculus (3 semesters/4 quarters) with analytic geometry through multivariable

Linear algebra

Differential equations

One and a half years of calculus-based physics (mechanics, electricity, magnetism, etc.)

One year of general chemistry

Required by end of spring before transfer:
- One and a half years of calculus with analytic geometry (3 semesters/4 quarters) through multivariable
- One year of calculus-based physics (mechanics, electricity, and magnetism)
- Linear Algebra

PYSCHOLOGY

One course in introductory psychology

One course in introductory biology or biology for the major

One course in introductory physics or chemistry

One course in philosophy

One quantitative reasoning course in statistics, finite mathematics, calculus, computer science theory, or programming in C++

All preparatory courses listed above must be completed. Students are STRONGLY ENCOURAGED to complete all preparatory courses by the end of fall prior to transfer.

NOTE: You must be admitted directly into this major. You will not be able to change into this major after admission.

RUSSIAN STUDIES

Two years of Russian language

One course in introduction to Russian civilization

Required by end of spring before transfer:
- One year of college level Russian OR at least one year of high school in which the primary language of instruction was Russian.

NOTE: Completion of two years of college level foreign language is strongly preferred.

PSYCHOLOGY (continued)

NOTE: It is strongly recommended that the remainder of major prep be completed prior to transfer.

POLITICAL SCIENCE

Four of the following courses:
- Introduction to political theory
- International relations/world politics
- Introduction to American government/politics
- Introduction to comparative politics
- Politics and strategy
- Diversity and disagreement

One course in statistics

All statistics courses used towards meeting the requirement for this major must be articulated with UCLA's Statistics 10. View articulation agreements on assist.org to see if your college offers an approved course. Not all UC-transferable statistics courses are equivalent to UCLA's Statistics 10 even though they may be used for IGETC.

SOCIOLOGY

One course in introduction to sociology

One course in statistics

SPANISH, COMMUNITY & CULTURE

Two years of Spanish language

One Spanish civilization course

One Spanish American civilization course

Required by end of spring before transfer:
- One year of college level Spanish OR at least one year of high school in which the primary language of instruction was Spanish.

NOTE: Completion of two years of college level foreign language is strongly preferred.

STATISTICS

One introductory course in statistics

Three semester or four quarters of calculus

NOTE: Only approved statistics courses can satisfy the major requirement (see assist.org articulation agreement by major). If your school does NOT offer an approved course, you must still complete one transferable statistics course to be considered for this major.

STUDY OF RELIGION

One course in introduction to history of religion

One course in introduction to philosophy of religion

Two courses selected from:
- Introduction to Buddhism
- Sociocultural anthropology
- Western civilization
- Introduction to civilizations of Africa
- History of China, Japan, India, or the Near and Middle East
The focus of the Architectural Studies major is on the built environment. The curriculum conceives of architecture as a cultural, creative, and technical practice and a discipline with direct social impact. Within the context of a liberal arts education, a finely balanced set of architecture and urban design courses ranging from the history and theory of design to contemporary building technologies will provide students with a diverse foundation of knowledge in the field of architecture and prepare them for graduate school and/or careers in a wide range of fields.

Admission to the Architectural Studies major is very competitive. The most important admission criteria is the supplemental application which requires a portfolio of creative work. While it may be beneficial to complete the courses listed below as recommended preparation, there is no guarantee they will transfer as exact UCLA equivalents. Substitutions for lower division requirements will be determined by the department in the summer following admission. Syllabi or other descriptive course documentation may be required for consideration.

SUGGESTED (NOT REQUIRED) PREPARATION FOR THE MAJOR:

One course in each of the following:
drawing; sculpture; painting; photography; ceramics; and new genres (performance art, video art, installation, non-studio work)

Four courses (total) in art history. Three of the four should cover the following art historical periods (one each): 1850s – 1920s; 1920s – 1960s; 1960s – present; at least one of the four should include significant representation of non-European/North American art historical traditions

PORTFOLIO AND SUPPLEMENTAL REQUIREMENTS:
In addition to the general UC Application, applicants must submit a supplemental application that includes a portfolio of creative work (additional fees may apply).

All students must have a cumulative 3.0 GPA at the time of the application. Students must complete the requisite two English courses and one math course by the end of Spring prior to transfer. Students are encouraged to take their required English and math courses as early as possible with at least one English course completed by the end of Fall. Completion of IGETC is not required, but strongly recommended. More information may be found at www.ucla.edu/apply. Architectural Studies will consider sophomore transfers. For more information about admission criteria for sophomore transfers please visit, www.ucla.edu/apply.

ART
The Department of Art is committed to professional art training and encourages new fields of investigation. Students work in the following media: painting, drawing, sculpture, photography, ceramics, new genres, and art theory.

Admission to the Art major is very competitive. The most important admission criteria is the supplemental application which requires a portfolio of creative work. While it may be beneficial to complete the courses listed below as recommended preparation, there is no guarantee they will transfer as exact UCLA equivalents. Substitutions for lower division requirements will be determined by the department in the summer following admission. DANCE
The Department of World Arts and Cultures/Dance is at the forefront of innovative, interdisciplinary, and cross-cultural studies of the arts, offering a curriculum in which students can explore the vital relationship of the arts and performance to cultural theory and criticism. The Dance major thoroughly integrates learning to dance, learning to make dances, and critical interrogation of dance as a cultural practice. Students study a variety of dance techniques from around the world throughout their studies. They enroll in a four-term sequence in dance composition, with additional opportunities to participate in the creation of their own dances, as well as working as dancers in the creation of new works by faculty members and visiting artists. Furthermore, they engage in a core of four courses in the study of scholarly discourse around the body and dance, launching a critical inquiry into their own study of bodily practices, internalization of the embodied experience, and how bodily ideas and embodied experiences are interpreted and communicated outwardly and interpersonally, both locally and globally.

Admission to the Dance major is very competitive. The most important admission criteria is the supplemental application which includes an audition. While it may be beneficial to complete the courses listed below as recommended preparation, there is no guarantee they will transfer as exact UCLA equivalents. Substitutions for lower division requirements will be determined by the department in the summer following admission. Syllabi or other descriptive course documentation may be required for consideration.

SUGGESTED (NOT REQUIRED) PREPARATION FOR THE MAJOR:

One course each in improvisation/choreography, dance history and theory, and coursework focusing on using dance as a medium to connect and engage community.

At least eight courses (approximately 12 semester/20 quarter units) in various dance techniques particularly modern/postmodern dance, Hip-Hop, West African or Ballet.

AUDITION/INTERVIEW & SUPPLEMENTAL REQUIREMENTS:
In addition to the general UC Application, applicants must submit a supplemental application (additional fees may apply). Dance applicants must audition (live or video), in addition to showing strong academic preparation and evidence of critical thinking.
of involvement in the arts and community that demonstrates interests in varied cultures. All students must have a cumulative 3.0 GPA at the time of the application (November 30). Students MUST complete the requisite two English courses and one math course by the end of Spring prior to transfer. Students are encouraged to take their required English and math courses as early as possible with at least one English course completed by the end of Fall. WORLD ARTS AND CULTURES

The Department of World Arts and Cultures/Dance is at the forefront of innovative, interdisciplinary, and cross-cultural studies of the arts, offering a curriculum in which students can explore the vital relationship of the arts and performance to cultural theory and criticism. The World Arts and Cultures major highlights culture and representation as key perspectives for understanding creativity in local and global arenas. Three areas of cross-cultural and interdisciplinary study are available: arts activism, critical ethnographies, and visual cultures. These areas define the department commitment to a range of practices, including ethnography, activism, visual and related expressive arts, documentary and short films, museum and curatorial studies, performance, and other creative perspectives and methods. Courses combine theory and practice and are grounded in culturally diverse artistic expressions.

PREPARATION FOR THE MAJOR:

All preparatory coursework should be completed at UCLA. Substitutions for lower division requirements will be determined by the department in the summer following admission. Syllabi or other descriptive course documentation may be required for consideration.

SUGGESTED (NOT REQUIRED) PREPARATION FOR THE MAJOR:

One course each in drawing, color theory, two-dimensional and three-dimensional form, digital media/computer design programming for media arts, letterforms and typography, design history, design culture, and interactivity and media arts.

PORTFOLIO AND SUPPLEMENTAL REQUIREMENTS:

In addition to the general UC Application, applicants must submit a supplemental application that includes a portfolio of creative work (additional fees may apply).

All students must have a cumulative 3.0 GPA at the time of the application (November 30). MAJOR REQUIREMENTS FOR THE SAMUELI SCHOOL OF ENGINEERING

The Samueli School of Engineering offers the following undergraduate majors:

AEROSPACE ENGINEERING

CHEMICAL ENGINEERING

COMPUTER ENGINEERING

COMPUTER SCIENCE

MATERIALS ENGINEERING

ENGLISH:

• Two transferable courses in English composition are required

MATHEMATICS:

• Calculus and analytic geometry
• Calculus of several variables
• Differential equations
• Linear algebra

Aerospace Engineering and Mechanical Engineering do not require differential equations but instead require a mathematics of engineering course.

PHYSICS:

• Calculus-based courses with labs in mechanics of solids, vibration, wave motion, sound, fluids, heat, electricity and magnetism, electromagnetic waves, light, and relativity

CHEMISTRY:

• Two terms of general chemistry with lab
• Only one course in general chemistry is required for Electrical Engineering
• One year of chemistry with lab and two terms of organic chemistry are required for Bioengineering and Chemical Engineering

• Computer Science and Computer Science & Engineering do not require a chemistry course

COMPUTER PROGRAMMING:

• One course in Java, C, C++, or Matlab
• Applicants to Electrical Engineering, Computer Science, or Computer Science and Engineering should take C++
• For all other majors, Matlab is preferred

BIOLOGY:

• One year of biology with lab for the major (cellular, molecular, and genetic) is strongly recommended for Bioengineering

ADDITIONAL COURSES: Applicants to majors in the Samueli School of Engineering must complete at least one course from the humanities or social sciences for UC eligibility and are encouraged to complete up to four courses in those areas and one life science elective. (Completion of IGEC or UC Reciprocity is not required for entrance to these majors; partial IGEC will not be accepted.) Students may satisfy core requirements by completing engineering courses in statics, dynamics, strength of materials, properties of materials, and circuit analysis, depending on their major.

KEY POINTS

• Minimum GPA: 3.4
• IGETC Required: No, partial IGEC not accepted
• Double-major possible: Yes. Students may double major only if the second major is outside the School of Engineering and must be approved by the other major/college
• Supplemental application required: No
Exemptions/substitutions for lower division submitting the UC Application, as deadlines are strictly enforced.

In addition to the UC Application, applicants are required to audition/interview as well as submit a supplemental application by digital upload. Additional fees may apply. Specific guidelines may be found at https://schoolofmusic.ucla.edu/academics/global-jazz-ba

GLOBAL MUSIC STUDIES

The Global Music Studies major provides students with an interdisciplinary education that draws from various areas of the UCLA Herb Alpert School of Music, as well as from the arts and social sciences. The major focuses on developing students’ skills in performance of multiple jazz styles; knowledge of improvisation, music theory, arranging, and composition; and understanding of the historical and societal context of the development and advancement of jazz in the United States and globally.

Recommended (not required) preparation for the major:
• One year of music theory
• Two years of applied private instruction on a primary instrument or in voice
• Two years of participation in a large performance group such as orchestra, choir, or wind ensemble

Audition/Interview and Supplemental Requirements: In addition to the general UC Application, all applicants are required to audition/interview as well as submit a supplemental application by digital upload. Letters of recommendation are required for select areas. Additional fees may apply. Specific guidelines may be found at https://schoolofmusic.ucla.edu/academics/global-music-ba

MUSIC

The UCLA Herb Alpert School of Music aspires to educate the whole student through productive collaborations between performance and scholarship, a cross-cultural understanding of the art of music, and preparatory training for a broad range of careers in music after graduation.

KEY POINTS
• Minimum GPA: 3.0
• ICETC Required: No, but strongly encouraged
• Double-major possible: Yes, it is possible to double major with a major in the College, but it can be difficult due to the high number of course requirements in most School of Music majors. Double major requests are considered on a case-by-case basis.
• Supplemental application required: Yes, a supplemental application and an audition/interview are required for all School of Music majors
• Supplemental application due December 11, 2019

The UCLA Herb Alpert School of Music aspires to educate the whole student through productive collaborations between performance and scholarship, a cross-cultural understanding of the art of music, and preparatory training for a broad range of careers in music after graduation.

Recommended (not required) preparation for the major:
• One to two years of applied jazz studio instruction
• One year of musicianship

Audition and supplemental requirements:
In addition to the general UC Application, all applicants are required to audition with program faculty as well as submit a supplemental application by digital upload. Additional fees may apply. Specific guidelines may be found at https://schoolofmusic.ucla.edu/academics/global-jazz-ba

MUSIC

With a focus on the classical musical traditions of Europe as well as international and American musical styles of the last century, the Music major offers concentrations in Performance and Composition.

Recommended (not required) preparation for the major:
• One year comprehensive music theory course sequence, covering musicianship and theory, as well as keyboard skills if needed
• Two years of applied private instruction on a primary instrument or in voice
• Two years of participation in a large performance group such as orchestra, choir, or wind ensemble

Audition/Interview and Supplemental Requirements: In addition to the general UC Application, all applicants are required to audition/ interview as well as submit a supplemental application by digital upload. Letters of Recommendation are required for select areas. Additional fees may apply. Specific guidelines may be found at: https://schoolofmusic.ucla.edu/academics/music-education-ba

MUSIC

The Music Education major is a music teacher preparation program. This major provides students the musical expertise, research skills, and curricular design abilities essential to teach music to the diverse student population of California and beyond and to provide administrative leadership in arts education.

Recommended (not required) preparation for the major:
• A one year comprehensive music theory course sequence, covering musicianship and theory, as well as keyboard skills if needed
• Two years of applied private instruction on a primary instrument or in voice
• Two years of participation in a large performance group such as orchestra, choir, or wind ensemble

Audition/Interview and Supplemental Requirements: In addition to the general UC Application, all applicants are required to interview with departmental faculty as well as submit a supplemental application by digital upload. **SCHOOL OF NURSING**

www.nursing.ucla.edu  
onsaff@ucla.edu  |  Mark Covin: 310-825-3109

The UCLA School of Nursing offers a prelicensure baccalaureate program leading to the Bachelor of Science degree. Applicants to the School of Nursing must fill out the UC Application and a supplemental application. The prelicensure nursing degree program is intended to prepare entry-level nurses to care for patients at the bedside. The program has been developed according to the principles of primary, secondary and tertiary prevention, moving from a systems population-based approach to a cohort-based or unit-based perspective, and culminating with an intense focus on individual-level of care. Strong emphasis will be placed on clinical leadership and critical thinking skills. This is a three-year program.

Applicants must complete the School of Nursing’s general education coursework and have completed their general education coursework—either the school’s GE requirements, the IGETC at a California community college, or the GE requirements at another UC campus. Completion of the School of Nursing’s foreign language requirement before arriving at UCLA is strongly encouraged but not required. In addition to the UC application, applicants are required to submit a supplemental application.

**Major Requirements for the School of Nursing**

Applicants must complete the following course requirements for the Prelicensure Nursing program with grades of C or better:

**Required:**
- One year of general biology for the major (cellular and molecular)
- One year of general chemistry for the major
- One semester of organic chemistry for the major
- Human anatomy with lab
- Human physiology with lab

**Strongly recommended:**
- Introductory or general microbiology
- Introductory psychology
- Introduction to communication or speech
- One course in calculus for life science or with analytic geometry

**SCHOOL OF THEATER, FILM AND TELEVISION**

www.tft.ucla.edu  |  310-206-8441
Film & Television: undergrad@tft.ucla.edu  
Theater: theaterundergrad@tft.ucla.edu

The School of Theater, Film and Television offers undergraduate majors in Theater and in Film and Television. Both majors provide a comprehensive introduction to the history, theory, and practice of these art forms within the context of a liberal arts education.

Undergraduates in Theater study the history of world and American theater, contemporary theater issues, acting and performance, playwriting and analysis, design, directing, theater production, and complete a sequence of advanced courses in an emphasis along with a capstone project. Undergraduates in Film & Television study the history of film and television, screenwriting, animation, film and television production, including cinematography, editing, directing the camera, and digital media and tools. Undergraduates complete a senior concentration in one area of specialization and a professional internship.

**Preparation for the Major**

- One course in theater (recommended)
- Double major possible: No
- Supplemental application required: Yes
- Supplemental Application Deadlines:
  - Theater - December 6, 2019
  - Film and Television - January 10, 2020

**Film and Television**

The required supplemental application, includes materials such as: a personal essay, writing samples, transcripts, etc., as well as the two required letters of recommendation. Films and DVDs are not accepted. Prior experience is not required. Note: Transfer students cannot change to the Theater major after admission to UCLA. Additional information may be found at www.tft.ucla.edu/theaterba.

**Theater**

Applicants interested in the Theater major must choose one of the following emphases on the UC Application: Acting, Design/Production, Musical Theater, or Integrated Studies. Students interested in Directing or Playwriting should apply via Integrated Studies. In addition to the general UC Application, a supplemental application is required. This includes materials such as a headshot, writing samples, transcripts, resumes, etc. Applicants will be contacted ONLY if more information is needed and an interview/audition will be required. Note: Transfer students cannot change to the Theater major after admission to UCLA. Additional information may be found at www.tft.ucla.edu/filmba.

**Additional Information**

Additional information may be found at www.nursing.ucla.edu.

**KEY POINTS**

- Minimum GPA: 3.5
- IGETC Required: Yes, partial IGETC not accepted
- Double major possible: No
- Supplemental application required: Yes
- Supplemental application due January 15, 2020

**Preparation for the Major**

- One course in theater (recommended)
- Double major possible: No
- Supplemental application required: Yes

Developing Leaders Engaged in Social Change

The world needs agents of social change whose passion to improve people’s lives is matched by the knowledge and skills to deliver results. UCLA’s Luskin School of Public Affairs will help cultivate this next generation of civic-minded leaders with a new undergraduate degree, which launched in the fall of 2018.

The B.A. in Public Affairs offers an in-depth and engaged educational experience with a clear public service ethos. The undergraduate major is centered around a multidisciplinary foundation in the social sciences, with an applied emphasis on knowledge and methods for improving society.

The major includes a required experiential learning capstone in the senior year, connecting the dots between theory and action. This capstone combines a multi-quarter internship in a community or government organization with a seminar series in which students develop a project. Most of these capstone projects will take place in the greater Los Angeles area, providing an amazing opportunity for undergraduates to contribute to our global city in a sustained and substantial way.

**KEY POINTS**
- Minimum GPA: 3.2
- IGETC Required: No, but strongly encouraged
- Supplemental Application: No
- Double major possible: Yes

To be considered for admission, applicants to Public Affairs pre-major must have a minimum cumulative 3.2 GPA in all transferable coursework at the end of the fall term prior to transfer. Students must attain junior level standing (at least 60 semester/90 quarter transferable units) by the end of the spring term prior to transfer. California Community College students are strongly encouraged to complete IGETC; all other transfer students are encouraged to make progress toward completion of the Luskin School’s general education requirements.

NOTE: Applicants are admitted to the major in the Luskin School of Affairs pending satisfactory completion of the prerequisites. Applicants should note that this major is listed under the College of Letters and Science in the UC Application and that the Luskin School has the same general education requirements as the College of Letters and Science.

**Preparation for the Public Affairs Major**

To be competitive for admission, it is strongly recommended that students complete four (4) of the major preparation courses or equivalents, including PA 40 and 60, by the end of the fall prior to transfer. Students must take all major prep courses for a letter grade and receive a B grade or better in these courses to be competitive. All additional major prep with the exception of PA 10 and PA 70 should be completed by the end of the spring term prior to transfer. While AP Exams may be beneficial for transfer credit, they will NOT be acceptable to satisfy major preparation for students applying to the Public Affairs program Fall 2020 or later.

For transfer applicants, the following course substitutions can be used as major prep:
